

**Request for Non-Substantive Change to The 2020 Census Local Update of Census
Addresses Operation (LUCA)
OMB Control No. 0607-0994
U.S. Department of Commerce
U.S. Census Bureau**

Purpose

The 2020 Census Local Update of Census Addresses Operation (LUCA) is the only opportunity offered to tribal, state, and local governments to review and comment on the U.S. Census Bureau's residential address list for their jurisdiction prior to the 2020 Census. The Census Bureau relies on a complete and accurate address list to reach every living quarter and associated population for inclusion in the census. The Census Address List Improvement Act of 1994 (Public Law 103-430) authorizes the LUCA.

Background

The LUCA OMB package was approved on 12/16/2016. The approved LUCA OMB package included the respondent guides in draft form. Three of the respondent guides were cleared by OMB on 12/29/17. This is a Non-Substantive Change Request to submit the remaining two user guides, “2020 Census Local Update of Census Address Operation (LUCA) Respondent Guide: Paper Address List Format” and “The 2020 Census Local Update of Census Addresses Operation (LUCA) Geographic Update Partnership Software (GUPS) Respondent Guide: Instructions for Using GUPS”.

There is no substantive change to the operation resulting from this change. The finalized instructions do not change the content or objective of the operation.

Burden

The burden of the LUCA is unchanged by this update.
