

**Request for Non-Substantive Change to the 2020 Census Local Update of Census Addresses
Operation (LUCA)
OMB Control No. 0607-0994
U.S. Department of Commerce
U.S. Census Bureau**

Purpose

The 2020 Census Local Update of Census Addresses Operation (LUCA) is the only opportunity offered to tribal, state, and local governments to review and comment on the U.S. Census Bureau's residential address list for their jurisdiction prior to the 2020 Census. The Census Bureau relies on a complete and accurate address list to reach every living quarter and associated population for inclusion in the census. The Census Address List Improvement Act of 1994 (Public Law 103-430) authorizes the LUCA Operation. On December 15, 2016, the Office of Management and Budget (OMB) approved the 2020 Census LUCA information collection.

Background

On July 9, 2019, OMB approved 31 materials that the Census Bureau sent to LUCA participants for the Feedback Phase. This non-substantive change (NSC) request is to add the remaining LUCA Closeout Phase communication with groups of partners by email.

With this NSC request, the Census Bureau is submitting an email that is to be sent to groups of partners that have not submitted a completed D-2012 – *Destruction or Return of Title 13, United States Code Materials Form (Table 1)*. The email provides instructions for partners to close-out their 2020 Census LUCA participation.

This is the Census Bureau's final delivery and communication with governments and/or groups of partners for the 2020 Census LUCA. For reference, all previous NSC submissions for the 2020 Census LUCA are listed below in the appendix (**Table 2**). The *Document* column links directly to the corresponding justification for the NSC request.

There is no substantive change to the operation resulting from this change.

Burden

The burden of the 2020 Census LUCA is unchanged by this update.

If any LUCA reviewers are not available, the Liaison or HEO's signature in section A is the only requirement. Please ensure that the form indicates if your entity has destroyed (preferred) or returned your Title 13 LUCA materials to the Census Bureau.

The completed, signed D-2012 form may be sent by mail using the postage-paid return envelope previously provided in your LUCA review package, or another envelope addressed to:
