## **Consent to Participate in RTI Research**

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0910-0497 and the expiration date is 10/31/2020. The time required to complete this information collection document is estimated to average 5 minutes or 0.08 hours per response.

#### Introduction

You are being asked to participate in a research study. Before you decide if you want to take part in this study, you need to read this Informed Consent form so that you understand what the study is about and what you will be asked to do. This form also tells you who can be in the study, the risks and benefits of the study, how we will protect your information, and who you can call if you have questions. Please ask the researcher to explain anything you don't understand before you make your decision.

# Purpose

This research study is being conducted by RTI International, with funding from a government agency. We will reveal the study sponsor during tonight's discussions. The purpose of study is to learn how consumers purchase and use some food products. You are one of approximately 144 adults who will participate in this study.

## **Procedures**

If you agree to participate, you will be asked to participate in a focus group discussion. In the discussion, we will talk about how you purchase and use specific consumer products at home.

Tonight's discussion will be digitally recorded to collect your thoughts and opinions. The audio-recordings will be transcribed. The transcriptions and the video recordings will be used to prepare a summary of each group's discussion. During the discussion, you will be addressed by your first name only. It is possible that your first name will be connected to your responses in the transcripts, but your name will not be used in any reports. Once the final report is accepted by the government agency funding this study, RTI will destroy all audio recordings; however, the transcripts and the video-recordings will be sent to the client as part of a final report. Additionally, project team members may be viewing tonight's discussion.

### **Study Duration**

Tonight's discussion will take no more than 90 minutes.

## Possible Risks or Discomforts

There are minimal psychological, social, or legal risks to participating in this study. For example, although unlikely, there is a possible risk for a breach of confidentiality. You will be asked to share your thoughts and opinions in a group setting; however, tonight's topic is not sensitive in nature. Your participation is voluntary, and you can choose not to answer any questions.

#### **Benefits**

There are no direct benefits to you from participating in this study. Your opinions will help us understand how consumer purchase and use certain products at home.

## Token of Appreciation for Participation

You will receive \$75 as a token of our appreciation for your participation.

#### **Privacy**

During the focus group discussion, you will be addressed by your first name only. It is possible that your first name will be connected to the answers you provide in the transcripts; however, your name will not be used in any reports. If you voluntarily share personal identifiable information during the discussion, this information
