

### THRIVE health department grantees

Eligible state and local health departments included those with a metropolitan statistical area (MSA) or metropolitan division (MD) with at least 2000 black and/or Hispanic MSM living with HIV infection, or those with a metropolitan statistical area or metropolitan division with at least 1000 black and/or Hispanic MSM living with HIV infection in a U.S. state in the 4<sup>th</sup> quartile for mortality rates. The following health department grantees were selected to conduct THRIVE demonstration projects:

### THRIVE health department grantees and jurisdictions of operation

Health Department grantee	Metropolitan statistical area or metropolitan division
Alabama Department of Public Health	Birmingham-Hoover
Baltimore City Health Department	Baltimore-Towson
District of Columbia Department of Health	Washington Division
Louisiana Department of Health	New Orleans-Metairie-Kenner
