The screenshot shows a web browser window displaying a survey preview. The browser's address bar shows the URL: <https://www.surveymonkey.com/r/Preview?sm=j2irU7bUcq1KjA0U4jL4hY9W33eKA2QRo3iQzlkRy3Y0UisxrdKuRneqUBSPvT>. The page title is "[SURVEY PREVIEW MODE] THRIVE Collaboration Assessment Tool Survey - Internet Explorer".

The survey content is displayed in a white box with a blue header. The header features the THRIVE logo, which consists of the word "THRIVE" in a bold, blue, sans-serif font, with a green sprout growing from the letter 'V'. Below the logo, the text "THRIVE Collaboration Assessment Tool" is displayed. A blue bar below the header contains the word "Welcome".

The main content area of the survey is white and contains the following text:

This survey will assess your experience working with collaborative members in the THRIVE demonstration project.

In order to describe and disseminate the lessons learned from THRIVE, we need to understand your success in building and maintaining partnerships in the THRIVE collaborative. We also need to assess how these partnerships contributed to achieving THRIVE's goals. This survey examines collaborative context, membership, processes, and other information related to the THRIVE collaboratives. It should take less than 30 minutes to complete. Your responses are confidential. After the survey is complete you will receive \$50 monetary compensation for your time.

- While completing this survey, please keep in mind the key THRIVE goals:
  - To increase use of pre-exposure prophylaxis (PrEP) and non-occupational post-exposure prophylaxis (nPEP) by gay, bisexual, and other men who have sex with men (MSM) of color
  - To optimize the HIV care continuum to increase the number of MSM of color who are virally suppressed

**Throughout this survey "collaborative" or "collaborative member" refers to your agency or organization and "community" or "community member" refers to MSM of color.**

**Questions about success, challenges, facilitators, and barriers refer to those of the THRIVE collaborative rather than specific HIV prevention or care services.**

Thank you for your feedback!

At the bottom of the survey preview, there are three tabs: "DESKTOP" (selected), "TABLET", and "PHONE". The browser's taskbar at the bottom shows the Windows logo, a search bar, and several application icons. The system tray on the right shows the time as 2:29 PM and the date as 10/19/2017.

The screenshot shows a web browser window displaying a survey in 'Preview & Test' mode. The survey title is 'Perceptions of collaborative success'. The instructions state: 'Please rate how successful the collaborative has been so far using the following 10-point scale: Completely unsuccessful 1... 2... 3... 4... 5... 6... 7... 8... 9... 10 Completely successful'. There are four questions, each with a 10-point Likert scale:

- How successful is this collaborative in addressing **behavioral health** needs of HIV negative MSM of color?
- How successful is this collaborative in addressing **behavioral health** needs of HIV positive MSM of color?
- How successful is this collaborative in addressing **social services** needs of HIV negative MSM of color?
- How successful is this collaborative in addressing **social services** needs of HIV positive MSM of color?
