1. Introduction

The purpose of this document is to list all the data elements collected online from alumni through the Fellowship Management System (FMS). The FMS online alumni directory module is a self-service connection to allow alumni of the Centers for Disease Control and Prevention (CDC) fellowships to update their personal information including current addresses, contact, and education information. The FMS is a robust, flexible framework and is successfully tailored for various fellowships.

The following fellowships currently use the FMS Alumni Directory to collect information from fellowship alumni:

1. Epidemic Intelligence Service (EIS)
2. CDC E-learning Institute (ELI)
3. Epidemiology Elective Program (EEP)
4. Future Leaders in Infections and Global Health Threats (FLIGHT)
5. Laboratory Leadership Service (LLS)
6. CDC Steven M. Teutsch Prevention Effectiveness (PE) Fellowship
7. Presidential Management Fellowship (PMF)
8. Public Health Associate Program (PHAP)
9. Public Health Informatics Fellowship Program (PHIFP)
10. Science Ambassador Fellowship (SAF)
11. Preventive Medicine Residency and Fellowship (PMR/F)
12. Population Health Training in Place Program (PH-TIPP)

1.1 Document Structure

This document is broken down by the major pages of the FMS Alumni Directory. In this document, each page of the FMS Alumni Directory has sections and some sub-sections. In addition, instructions, login, and registration pages are included. Following the screenshots in each section is a table that shows the status of the collection of data elements by each CDC fellowships. The following labels indicate the status of the collection:

- “Yes” indicates that the fellowship collects the information and that alumni are required to submit this information.
- “No” indicates that the fellowship does not collect this information.
- “-” indicates open text field

In addition, the table shows the data values of each data element, and for ones that have a list of dropdown values, the data value category is hyperlinked to its list located in the Appendix.

8.4 LLS Alumni Survey

Figure 8.4-a. LLS Alumni Fields

<p>LLS Alumni Survey</p> <p>Thank you for participating in the LLS Alumni Survey. Your participation is completely voluntary. However, your participation is also a vital way for the LLS program to understand how to better prepare future LLS fellows for a career in public health laboratories.</p> <p>Your privacy is important to us. Only Epidemiology Workforce Branch staff, including the LLS program, will have access to your responses and results from the survey will be reported in aggregate for decision-making by the LLS Program. LLS program staff will use this survey, along with other fellowship data, to improve the LLS Program. This survey is part of a larger LLS program evaluation and aggregate results may be published.</p> <p>We estimate that it will take approximately 10 minutes to complete this survey. This survey link is unique to you so you will be able to return to the survey to edit or update your responses once you exit.</p> <p>Please contact lls@cdc.gov if you have any questions regarding this survey.</p> <p>Which of the following activities describes what you are doing after LLS? *</p> <ul style="list-style-type: none"> <input type="radio"/> I do not currently have a job after LLS <input type="radio"/> Additional education or training (are a student or resident) <input type="radio"/> In first position accepted since graduating from LLS <input type="radio"/> Have switched or left roles/jobs at least once since graduating from LLS <p>What is your current supervisory status? *</p> <ul style="list-style-type: none"> <input type="radio"/> I do not supervise other employees. <input type="radio"/> I provide employees with day-to-day guidance in work projects, but do not have official supervisory responsibility. <input type="radio"/> I supervise other employees. <input type="radio"/> I supervise one or more supervisors. <input type="radio"/> I am a senior executive or equivalent (e.g., CEO, CFO, center or agency director). 	<p>How much do you agree or disagree with each of the following statements?</p> <p>In my current position, I have a great deal of...</p> <p>Influence on the policy, operations, or administration of your work unit (e.g., program, department, or branch). *</p> <ul style="list-style-type: none"> <input type="radio"/> Strongly Disagree <input type="radio"/> Somewhat Disagree <input type="radio"/> Neither Agree Nor Disagree <input type="radio"/> Somewhat Agree <input type="radio"/> Strongly Agree <p>Formal decision-making authority for my work unit. *</p> <ul style="list-style-type: none"> <input type="radio"/> Strongly Disagree <input type="radio"/> Somewhat Disagree <input type="radio"/> Neither Agree Nor Disagree <input type="radio"/> Somewhat Agree <input type="radio"/> Strongly Agree <p>Opportunities to represent my organization in external settings. *</p> <ul style="list-style-type: none"> <input type="radio"/> Strongly Disagree <input type="radio"/> Somewhat Disagree <input type="radio"/> Neither Agree Nor Disagree <input type="radio"/> Somewhat Agree <input type="radio"/> Strongly Agree <p>Cross-sector or interdisciplinary collaboration. *</p> <ul style="list-style-type: none"> <input type="radio"/> Strongly Disagree <input type="radio"/> Somewhat Disagree <input type="radio"/> Neither Agree Nor Disagree <input type="radio"/> Somewhat Agree <input type="radio"/> Strongly Agree

Overall, to what extent did your LLS experience prepare you to perform your first job after your fellowship? *

- Not at all – Not relevant or did not prepare me
- A little – Had a small role in preparing me (e.g., introduced relevant topics or skills)
- Somewhat – Had a moderate role in preparing me (e.g., developed skills, but you required additional training)
- Very much – Had a large role in preparing me (e.g., little or no additional training needed)

How relevant are each of the following skill sets to your current position?

Leadership and Management Skills *

- Not at all – Not useful
- A little – Slightly enhances job performance
- Somewhat – Desired qualification
- Very much – Required

SAF Alumni Survey

Have you continued to teach public health content in your classroom or through extracurricular clubs or programs at your school related to public health (e.g., Science Olympiad Disease Detectives coach; HOSA supervisor for Public Health or Epidemiology event)? *

Yes
 No

Estimate how many students you have taught public health content to as part of your curriculum or elective course since completing the fellowship. *

Estimate how many students you coached through extracurricular clubs or programs at your school related to public health since completing the fellowship. *

Have you continued to promote the use of public health in a STEM curriculum within your network? *

Yes
 No

Estimate how many teachers/colleagues you have trained/introduced to teaching public health content as part of their STEM curriculum since completing the fellowship. *

Estimate how many teachers/colleagues you have recommended the CDC Science Ambassador Fellowship to since completing the fellowship. *

CDC FELLOWSHIP ALUMNI SURVEY

You are being asked to participate in this survey because of your participation in the Centers for Disease Control and Prevention (CDC) *[insert fellowship program here]* program. The purposes of this survey are 1) to learn what our alumni are doing and, 2) use that information to improve our fellowship training programs.

Your participation in the survey is entirely voluntary, and you may skip any questions you do not want to answer. Your responses are confidential and will be kept secure. Your privacy will be protected to the extent allowed by federal law.

This survey will take approximately **10-15** minutes to complete. If you have any questions, please contact *[insert eFMS contact info here]*
