8	Summary	Yes	Provide the measure title only (255 characters or less). Put program-specific ID number in the next field, not in the title. Note: Do not enter the NQF ID, former JIRA MUC ID number, or any other ID numbers here (see below).	Free text 255 characters max		
9	Measure ID	No	Alphanumeric identifier (if applicable), such as a recognized program ID number for this measure (20 characters or less). Examples: 199 GPRO HF-5; ACO 28; CTM-3; PQI #08. Fields for the NQF ID number and previous year(s) JIRA MUC ID number are provided in other data fields within this form.	Free text 20 characters max		
10	Measure description	Yes	Provide a brief description of the measure (700 characters or less). When you paste text, any content over the limit will be truncated.	Free text 700 characters or less)		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
11	Numerator	Yes	The upper portion of a fraction used to calculate a rate, proportion, or ratio. A clinical action to be counted as meeting a measure's requirements. For all fields, especially Numerator and Denominator, use plain text whenever possible. If needed, convert any special symbols, math expressions, or equations to plain text (keyboard alphanumeric, such as + - * /). This will help reduce errors and speed up data conversion, team evaluation, and MUC report formatting.	Free text		
12	Denominator	Yes	The lower part of a fraction used to calculate a rate, proportion, or ratio. The denominator is associated with a given patient population that may be counted as eligible to meet a measure's inclusion requirements.	Free text		
13	Exclusions/Exceptions	Yes	If applicable, specify Numerator Exclusion, Denominator Exclusion, or Denominator Exception.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
14	Measure Type	Yes	Select only one type of measure. For definitions, visit this web site: https://www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/QualityMeasures/Pre-Rule-Making.html and link to the user guide under The JIRA System.	Select one	None Composite Cost/Resource Use Efficiency Intermediate Outcome Outcome Patient Reported Outcome Process Structure Other (enter in Comments at far bottom of this form)	
15	Which clinical guideline(s)?	No	The measure should improve compliance with standard clinical guidelines. Provide a detailed description of which guideline supports the measure and how the measure will enhance compliance with the clinical guidelines. Indicate whether the guideline is evidence-based or consensus-based.	Free text		
16	Is this measure similar to and/or competing with measure(s) already in a program?	Yes	Consider other measures with similar purposes.	Select one	Yes No	
17	If Yes:					
18	Which measure(s) already in a program is your measure similar to and/or competing with?	No	Identify the other measure(s) including title and any other unique identifier	Free text		
19	How will this measure add value to the CMS program?	No	Describe benefits of this measure, in comparison to measure(s) already in a program.	Free text		
20	How will this measure be distinguished from other similar and/or competing measures?	No	Describe key differences that set this measure apart from others.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
21	What is the target population of the measure?	Yes	What populations are included in this measure? e.g., Medicare Fee for Service, Medicare Advantage, Medicaid, CHIP, All Payer, etc.	Free text		
22	What one area of specialty is the measure aimed to, or which specialty is most likely to report this measure?	Yes	Select the most applicable area of specialty. Use the scroll bar to view all available specialties.	Select one	See Appendix A.22 for list choices.	
23	What one primary healthcare priority applies to this measure?	Yes	Healthcare priorities (also known as domains); select the best one.	Select one	<p>Make care safer by reducing harm caused in the delivery of care</p> <p>Strengthen person and family engagement as partners in their care</p> <p>Promote effective communication and coordination of care</p> <p>Promote effective prevention and treatment of chronic disease</p> <p>Work with communities to promote best practices of healthy living</p> <p>Make care affordable</p>	

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
24	What one primary meaningful measure area applies to this measure?	Yes	Select the best one. The meaningful measure area choices depend on your selection of primary healthcare priority above.	Select one	<p>If #23 is Make care safer..., then choices are:</p> <ul style="list-style-type: none"> Healthcare-associated infections Preventable healthcare harm <p>If #23 is Strengthen person..., then choices are:</p> <ul style="list-style-type: none"> Care is personalized and aligned with patient's goals End of life care according to preferences Patient's experience of care Functional outcomes <p>If #23 is Promote effective communication..., then choices are:</p> <ul style="list-style-type: none"> Medication management Admissions and readmissions to hospitals Transfer of health information and interoperability <p>If #23 is Promote effective prevention..., then choices are:</p> <ul style="list-style-type: none"> Preventive care Management of chronic conditions Prevention, treatment, and management of mental health Prevention and treatment of opioid and substance use disorders Risk adjusted mortality <p>If #23 is Work with communities..., then choices are:</p> <ul style="list-style-type: none"> Equity of care Community engagement <p>If #23 is Make care affordable, then choices are:</p> <ul style="list-style-type: none"> Appropriate use of healthcare Patient-focused episode of care Risk adjusted total cost of care

Hold down the Ctrl button while choosing to make multiple selections.</p> <p>If Claims, then enter relevant parts in the field below.</p> <p>If EHR, then enter relevant parts in the field below.</p> <p>If Registry, then enter which registry in the field below.</p> <p>Use the "Comments" field to specify or elaborate on the type of data source, if needed to define your measure.</p>	Multi-select	Administrative clinical data Facility discharge data Chronic condition data warehouse (CCW) Claims CROWNWeb EHR Hybrid IRF-PAI LTCH CARE data set National Healthcare Safety Network OASIS-C1 Paper medical record Prescription Drug Event Data Elements PROMIS Record review Registry Survey State Vital Records Other (enter in Comments at far bottom of this screen) None	
42	If Registry:					
43	Specify the registry(ies)	No	Identify the registry using the submitted measure. Select as many as apply. Use the scroll bar to view all available registries.	Multi-select	See Appendix A.43 for list choices.	
44	If EHR or Claims or Chart-Abstracted Data, description of parts related to these sources	No	Provide a brief, specific description of which parts of the measure are taken from EHR, claims-based, or chart-abstracted (i.e., paper medical records) data sources.	Free text		

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
45	How is the measure expected to be reported to the program?	Yes	This differs from the data sources above. This is the anticipated data submission method. Select as many as apply. Hold down the Ctrl button while choosing to make multiple selections. Use the "Comments" field to specify or elaborate on the type of reporting data, if needed to define your measure.	Multi-select	eCQM CQM (Registry) Claims Web interface Other (enter in Comments at far bottom of this screen)	
46	Is this measure an eCQM?	Yes	Is this an electronic clinical quality measure (eCQM)? Select only one. If your answer is yes, the Measure Authoring Tool (MAT) ID number must be provided below.	Select one	Yes No	
47	If eCQM = Yes					
48	If eCQM, enter Measure Authoring Tool (MAT) number	Yes	In the Attachments field below, you must attach Bonnie test cases for this measure, with 100% logic coverage (test cases should be appended), attestation that value sets are published in Value Set Authority Center, and NQF feasibility scorecard. If not an eCQM, or if MAT number is not available, enter 0.	Free text		
49	If eCQM, does the measure have a Health Quality Measures Format (HQMF) specification in alignment with the latest HQMF standards?	Yes	If not eCQM, select No	Select one	Yes No	

Row	Field Label	Req'd	Screen Guidance	Data Form	Possible Values	Add Your Content Here
50	Evidence of performance gap	Yes	Evidence of a performance gap among the units of analysis in which the measure will be implemented. Provide analytic evidence that the units of analysis have room for improvement and, therefore, that the implementation of the measure would be meaningful. The distribution of performance should be wide. Measures must not address "topped-out" opportunities. Please provide current rate of performance and standard deviation from that rate to demonstrate variability. If available, please provide information on the testing data set. If available, include percent average performance rate, minimum, and maximum. Include validity and reliability values in a standard format, and the population size used in determining these values.	Free text		
51	Unintended consequences	No	Summary of potential unintended consequences if the measure is implemented. Information can be taken from NQF CDP manuscripts or documents. If referencing NQF documents, you must submit the document or a link to the document, and the page being referenced.	Free text

PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1314 (Expiration date: XX/XX/XXXX). The time required to complete this information collection is estimated to average 1.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850. ****CMS Disclosure**** Please do not send applications, claims, payments, medical records or any documents containing sensitive information to the PRA Reports Clearance Office. Please note that any correspondence not pertaining to the information collection burden approved under the associated OMB control number listed on this form will not be reviewed, forwarded, or retained. If you have questions or concerns regarding where to submit your documents, please contact QPP at qpp@cms.hhs.gov.
