Subject: NonSubstantive Change Request – National Medical Support Notice - Part A
(OMB #0970-0222)

There were two typographical errors that were missed before the National Medical Support Notice, Part A form was published. The typographical errors are minor changes and both are in the same paragraph of the instructions, under Notice of Termination of Employment. We would like to make the following changes to ensure that the form is as accurate as possible.

NOTICE OF TERMINATION OF EMPLOYMENT

In any case in which the above employee's employment terminates, the employer must promptly notify the Issuing Agency listed above of such termination. This requirement may be satisfied by sending to the Issuing Agency a copy of Part A with response 4 checked or any notice the employer is required to provide under the continuation coverage provisions of ERISA or the Health Insurance Portability and Accountability Act.
