

Privacy Act Statement

Authority: The collection of this information is authorized under Title 34 U.S.C. § 10211, 44 U.S.C. § 3101, and the general recordkeeping provision of the Administrative Procedures Act (5 U.S.C. § 301). Completing the survey and providing your contact information is voluntary.

Principal Purpose: The purpose of this survey is to gather feedback about your experience with the N-DEx System, specifically with regard to access and participation considerations within your area of responsibility.

Routine Uses: All surveys will be maintained in accordance with the Privacy Act of 1974. Information on the survey may be disclosed with your consent, and may be disclosed without your consent as permitted by all applicable routine uses as published in the Federal Register (FR), including the routine uses for the FBI Online Collaboration Systems (JUSTICE/FBI-004), published at 82 FR 57291 (Dec. 4, 2017), and the routine uses for the National Data Exchange (N-DEx), FBI-020, 72 FR 56793 (Oct. 4, 2007), as amended by 82 FR 24151, 157 (May 25, 2017). Routine uses may include sharing information with other federal, territorial, state, local, and tribal criminal justice agencies.

Pursuant to Paperwork Reduction Act requirements, this collection has been assigned the following control number by the Office of Management and Budget (OMB): 1103-0117. This OMB control number expires 12/31/2022.

The N-DEx Program Office (PO) is surveying the CJIS System Officers (CSOs) to gain a better understanding of access-related methods, challenges, and areas of improvement, specific to the N-DEx System.

This survey should take approximately five minutes to complete.

* Access to N-DEx System data is currently permitted through two different methods: the Law Enforcement
Enterprise Portal (LEEP) and trusted identity providers (IdPs) both provide a user "door" to the N-DEx System
website; and the Logical Entity Exchange Specification – Search and Retrieve (LEXS-SR) query allows a user
to search N-DEx System data and pull relevant results directly into the user's native information sharing
environment. Do you currently allow access to the N-DEx System in your area of responsibility (AOR)?
Yes
No
