## Quota Request Amendment

### Notice

You have previously filed a quota allotment request for the substance noted below. The request was filed on Oct 26, 2012 in the amount of 100.000 grams. The Reference Number is 113654.

In the pages that follow, your original data values for the request will be displayed. You may freely remove, append or amend this data. Once you complete this amended request, it will be filed with its own reference number and will become the new statement of record for the requested quota allotment for this substance.

### Current Selection

Quota Type	Quota Year	Drug Code	Drug Name	Pending Quota	Approved Quota
Procurement	2013	9150	HYDROMORPHONE	100.000	.000

If the user previously filed a quota allotment request for the substance selected, the new request will be processed as an amendment. The current selection information will be displayed on subsequent screens when entering information related to the substance or chemical selected.

Most of the images in this document display "DEA Form 250," but the same information is requested for each of the three quota forms. The system will replace the form text with the appropriate form number, depending on the type of quota application selected at the beginning. Unless otherwise noted, the same screens are displayed for all three quota types.

**Quota History  
(DEA Form 250 -- Box 11)**

Enter the total value for your quota allotment request in the field provided.  
All amounts are expressed as grams of anhydrous base or alkaloid, not as salt.

This is where the user can select the different subcategories being formally implemented in the rulemaking associated with this information collection request, RIN 1117-AB49. List I chemical importers will see the Product Type section at this point rather than the Quota Allotment Request by Category section.

**Attention**

---

The new annual quota you are requesting (Pending Quota) is less than your currently approved quota. Are you requesting to decrease your current quota? If so, click Next. Otherwise click Cancel and enter the total amount you are requesting for this year's quota for all projects under this registration.

---

If the user enters a quota amount less than the user's currently approved quota, the system will prompt the user to confirm whether a decrease in quota is being requested.

### Sub-Reports Selection

In order to complete your application for quota allotment, you will need to provide additional information using the sub-reports below. To fill out a sub-report, click the Report Link to advance to the corresponding report form. If the color of the sub-report link is gray, it means there are sub-reports already on file. You may review and/or update these by clicking the link. You will not be able to advance to the next page until all required sub-reports have been completed.
