Accomplishment of the replacement constitutes terminating action for the requirements of this AD.

Etch Inspection

(c) Perform a one-time etch inspection of the NLG upper lock link to determine whether the lock link is made from die forged aluminum material (Condition 2), or from plate or bar material (Condition 3); per the applicable Boeing (McDonnell Douglas) service bulletin listed in Table 1 of this AD.

Condition 2 (Die Forged Aluminum Material)

(1) If the upper lock link is made from die forged aluminum material, before further flight, restore the finish and reidentify the lock link by adding an "F" to the part number, using an electro chemical deep etch method, per the applicable service bulletin. Identification of the lock link as being made from die forged aluminum material constitutes terminating action for the requirements of this AD.

Condition 3 (Plate or Bar Material)

(2) If the NLG upper lock link is made from plate or bar material, before further flight, do either Condition 3, Option 1, as specified by paragraph (c)(2)(i) of this AD, or Condition 3, Option 2, as specified by paragraphs (c)(2)(ii) and (c)(2)(iii) of this AD.

Condition 3, Option 1

(i) Permanently remove any discrepant upper lock link and replace with a new upper lock link, P/N 3914464-507; a reidentified upper lock link by adding an "F" to the part number, using an electro chemical deep etch method; or a new upper lock link assembly, P/N 5965065-507; all made from die forged aluminum material; per the applicable service bulletin. within 2,500 landings on the NLG since accomplishment of the inspection performed per paragraph (c)(2)(iii) of this AD, as applicable, do that inspection a second time. If no crack is detected during this second inspection, within 2,500 landings after accomplishment of the second inspection, replace the upper lock link with a new upper lock link, P/N 3914464-507; a reidentified upper lock link by adding an "F" to the part number, using an electro chemical deep etch method; or a new upper lock link assembly, P/N 5965065-507; all made from die forged aluminum material; per the applicable Boeing (McDonnell Douglas) service bulletin listed in Table 1 of this AD. These temporary regulations state that furnishers may provide the written statements required by sections 6041(d), 6050S(d), and 6051 in an electronic format in lieu of a paper format. In

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Background

Temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend the Regulations on Income Taxes (26 CFR part 1) relating to sections 6041 and 6050S(d), the Regulations on Employment Taxes and Collection of Income Tax at Source (26 CFR part 31) relating to section 6051, and the Regulations on Procedure and Administration (26 CFR part 301) relating to section 6724. The text of those temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. Chapter 5) does not apply to these regulations. An initial regulatory flexibility analysis has been prepared for this notice of proposed rulemaking under 5 U.S.C. 603 and is set forth under the heading "Initial Regulatory Flexibility Act Analysis" in this preamble. Pursuant to section 7805(f), this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Initial Regulatory Flexibility Act Analysis

This initial analysis is required under the Regulatory Flexibility Act. (5 U.S.C. chapter 6). The collection of information contained in §§ 1.6041-2(a)(5), 1.6050S-1(a), 1.6050S-2(a), and 31.6051-1(i) is required if a furnisher implements the method described in the proposed regulations to furnish statements electronically.

The types of small entities to which the proposed regulations may apply are small eligible educational institutions (such as colleges and universities), certain payees of interest on qualified education loans, and small employers. It is estimated that furnishers will seek consents from approximately 28,449,495 individuals to receive these statements electronically. There are no known Federal rules that duplicate, overlap, or conflict with these proposed regulations. The regulations proposed are considered to have the least economic effect on small entities of all alternatives considered.

Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any electronic or written comments (a signed original and eight (8) copies) that are submitted timely to the IRS. The IRS and Treasury Department request comments on the clarity of the proposed rules and how they can be made easier to understand. All comments will be available for public inspection and copying.

A public hearing has been scheduled for June 4, 2001, beginning at 10 a.m., in the IRS Auditorium of the Internal Revenue Building, 1111 Constitution Avenue, NW., Washington, DC. Due to

building security procedures, visitors must enter at the 10th Street entrance, located between Constitution and Pennsylvania Avenues, NW. In addition, all visitors must present photo identification to enter the building. Because of access restrictions, visitors will not be admitted beyond the immediate entrance area more than 15 minutes before the hearing starts. For information about having your name placed on the building access list to attend the hearing, see the **FOR FURTHER INFORMATION CONTACT** section of this preamble.

The rules of 26 CFR 601.601(a)(3) apply to the hearing. Persons who wish to present oral comments at the hearing must submit written comments and an outline of the topics to be discussed and the time to be devoted to each topic (signed original and eight (8) copies) by May 14, 2001. A period of ten minutes will be allotted to each person for making comments. An agenda showing the scheduling of speakers will be prepared after the deadline for receiving outlines has passed. Copies of the agenda will be available free of charge at the hearing.
