

Request for Fee Waiver
Department of Homeland Security
 U.S. Citizenship and Immigration Services

USCIS
Form I-912
 OMB No. 1615-0116
 Expires 03/31/2020

What Is the Purpose of Form I-912?

Form I-912 is used to request a fee waiver for eligible immigration forms and services by certain eligible categories of applicants and petitioners. You may request a fee waiver if you are applying or currently approved for one of the eligible immigrant categories, your documented annual household income is at or below 125 percent of the Federal Poverty Guidelines (FPG), and you are not seeking an immigration benefit for which you are subject to either the public charge ground of inadmissibility, the affidavit of support requirements, or you are already a sponsored immigrant.

For filing tips and additional information, see www.uscis.gov/i-912.

To request a fee waiver, you must submit Form I-912 and provide the required supporting documentation. A letter stating you are unable to pay the filing fees or biometric services fees will not be accepted without a completed Form I-912 and supporting documentation.

You do not need to file Form I-912 for applications and petitions that do not require a filing fee. Some USCIS applications and petitions have fee exemption requirements for certain types of applicants and petitioners. In these cases, the USCIS form and instructions will outline the fee exemption and submission requirements if a separate Form I-912 is not required.

How to File Form I-912

You must file this fee waiver request with all applications and petitions for which you are requesting a fee waiver. **If you are filing joint forms that have fees (for example, I-485 and I-765), you only need to file one I-912.** You do not have to file a separate Form I-912 for the filing fee and the biometric services fee **(if applicable)**. If USCIS approves your Form I-912, we will waive both the filing fee and biometric services fee. Each person requesting a fee waiver must submit an individual Form I-912.

Signature. Each request must be properly signed and filed. For all signatures on this request, USCIS will not accept a stamped or typewritten name in place of a signature. A legal guardian may also sign for a mentally incompetent person. If the request is not signed or if the requisite signature on the request is not valid, USCIS will reject the request. See 8 CFR 103.2(a)(7)(ii)(A). If USCIS accepts a request for adjudication and determines that it has a deficient signature, USCIS will deny the request.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of the original, handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten, ink signature.

Evidence. At the time of filing, you must submit all evidence and supporting documents listed in the **Specific Instructions** section of these Instructions.

If you submit original documents when not required or requested by USCIS, **your original documents may be immediately destroyed after we receive them.**

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. If you are applying for any immigration benefits (such as for adjustment of status) based on a pending or approved petition or application for VAWA benefits or T or U nonimmigrant status, you may skip this question.

Your Household Size

Item Number 4. Indicate whether you are providing the primary financial support for your household.

Complete the table with the information requested about the members of your household, including their names, dates of birth, relationship to you, whether the person is married, whether the person is a full-time student, and whether the person earns income counted towards household income.

For the last column (Is any income earned by this person counted towards the household income?), select yes if income is received consistently or regularly as wages or salary from these household members' employment or business.

If you are applying for any immigration benefits (such as for adjustment of status) based on a pending or approved petition or application for VAWA benefits or T or U nonimmigrant status and your head of household, the person upon whose tax return you are listed as a dependent, or one of your household members, is or was your abuser or human trafficker, then do not list him or her in **Item Number 4.** or his or her income in **Item Numbers 5. - 10.**

At the end of the table, provide the total number of household members who are dependent on your income, your spouse's income, or the head of household's income. Include the following people as part of your household size:

1. You;
2. The head of your household (if not you). If the child is applying individually, provide the information of the primary custodial parent;
 - A. You are the head of household if you filed the most recent Federal tax return for your household (includes filing as head of household) or earned the majority of the income for your household.
 - B. If you are not the head of household, the head of household is the person who filed the most recent Federal tax return on which you are listed as a dependent or the person who provides the majority of your household's income.
3. Your spouse, if living with you (do not include your spouse if you are separated, your spouse is not living with you, or you already have or are applying for VAWA benefits or T or U nonimmigrant status); or
4. Any family members living in your household who are dependent on your income, your spouse's income, or the head of household's income, including:
 - A. Your children or legal wards who are unmarried and under 21 years of age, and who live with you;
 - B. Your children or legal wards who are unmarried, are 21 to 23 years of age, are full-time students, and who live with you when not at school;

Your children or legal wards who are unmarried and for whom you are the legal guardian because they are physically or developmentally disabled or mentally impaired to the extent that they cannot adequately care for themselves and cannot establish, maintain, or re-establish their own household;
 - D. Your parents who live with you; and
 - E. Any other dependents listed on your Federal tax return or your spouse or head of household's Federal tax returns.

Your Annual Gross Household Income

Item Number 5. Tax Return Filing. Identify whether you and your household member(s) filed a tax return last year.

If you are filing Form I-912 between January 1 and April 15 of any year, and you and/or your household members have not yet filed the current year's federal income tax return, submit IRS transcripts for the most recent tax year. Submit any tax transcripts that you or your household members filed with any foreign government if you or your household members were residing outside of the United States during any time within the last tax year and you were not required to file a federal individual income tax return with the United States government.

If you are a child (under the age of 21 and unmarried) and are listed as a dependent on your parents' income tax return, or if you are listed as a dependent on anyone else's income tax return, list the total income from that individual's most recent tax return within the last tax year and submit that individual's IRS tax transcripts.

Item Number 6. Your Annual Gross Income. Provide information on your annual **gross** income. From your filed Federal tax return, enter the **gross income listed on** Internal Revenue Service (IRS) Form 1040, U.S. Individual Income Tax Return. If you have not filed a Federal income tax return but you have an IRS Form W-2, Wage and Tax Statement, that covers the previous 12-month period, take your total wages, tips, and other compensation reported in Box 1, and enter that amount as your household's annual wage income.

Documentation. For information on obtaining federal income tax transcripts without a fee, see www.irs.gov/individuals/get-transcript. You may also use IRS Form 4506-T to request income tax transcripts, or Form 1099 Certain Government Payments from the IRS. If you reside and filed tax returns in a U.S. territory, submit the tax return transcript from the territory instead of a federal tax return transcript.

To document your annual **gross** income, provide the following information:

1. A transcript of your most recent Federal tax return from the IRS. You are not required to have the IRS certify the transcript or photocopy, but USCIS may later request a certified copy;
2. If you filed a Federal tax return, and you have recently changed employment or had a change in salary, submit your Federal tax return transcript and copies of consecutive pay statements (stubs) for at least the past month. Pay statements (stubs) alone are not sufficient evidence;
3. If you are unemployed and receiving unemployment compensation also submit a copy of IRS Form 1099-G, and **income tax transcripts or submit documentation from the IRS that indicates no tax transcripts and no W-2s were found (see IRS Form 4506-T)**. If you are not receiving unemployment compensation, submit a letter of termination from the employer.
4. If you did not file a Federal tax return, submit a recent Form W-2, Form SSA-1099 (if Social Security is the only income received), or the most recent Social Security Statement indicating your earning record;
5. If you are a student and not living with your parents or are not claimed as a dependent on your parents' Federal tax return, do not include your parents' incomes. You should only provide proof of your income or documentation that shows you are not required to file a Federal or state tax return transcript, such as proof that you are a full-time student;
6. If you do not have any **income, describe** your particular situation in detail in **Part 3. Item Number 10.**, and submit documentation from the IRS that indicates no tax transcripts and no W-2s were found (see IRS Form 4506-T).
7. If you are homeless, submit documentation from the IRS that indicates no tax transcripts and no W-2s were found (see IRS Form 4506-T). If you are homeless and receiving support services, submit an affidavit from a religious institution, non-profit, or community-based organization verifying that you are currently receiving some benefit or support from that entity and attesting to your financial situation.

If you already have or are applying for VAWA benefits or T or U nonimmigrant status, and due to your victimization you do not have any income or cannot provide proof of income as required in the paragraph **above, provide** any available documentation of your income, such as pay stubs or affidavits from religious institutions, non-profits, or other community-based organizations verifying that you are currently receiving some benefit or support from that entity and attesting to your financial situation. **Describe your particular situation in Part 3. Item Number 10.**

Item Number 7. Annual Gross Income of All Family Household Members. Provide the annual **gross** income from all family members counted as part of your household.

1. If a person lives with you but does not contribute financial support to your household, then you should not include this person's income when calculating your household **gross** income.
2. If you are separated or still married but do not live with your spouse, do not include your spouse's income. However, you must include any financial support your spouse provides to your household in **Item Number 8.**

3. If you are applying for any immigration benefits (such as for adjustment of status) based on a pending or approved petition or application for **VAWA or T** or U nonimmigrant status, do not provide your spouse's income.
4. Include your parents' **gross** income if you are a full-time student, 21 to 23 years old, are unmarried, and are living with your parents, or if you are claimed as a dependent on your parents' Federal tax return. You must provide a transcript of both parents' Federal tax return **transcripts and your own Federal tax return transcript**, or provide proof of **gross** income as supporting documentation.

Documentation. For information on obtaining federal income tax transcripts without a fee, see www.irs.gov/individuals/get-transcript. You may also use IRS Form 4506-T to request income tax transcripts, **a copy of Form W-2**, or Form 1099 Certain Government Payments from the IRS.

To document your household members' **gross** incomes, provide the following:

1. A transcript of each household member's most recent Federal tax return;
2. If the household member filed a Federal tax return and has recently changed employment or had a change in salary, submit his or her Federal tax return transcript and copies of consecutive pay statements (stubs) for at least the past month. Pay statements (stubs) alone are not sufficient evidence.

If a household member is unemployed and receiving unemployment compensation also submit a copy of his or her IRS Form 1099-G, **and income tax transcripts or submit documentation from the IRS that indicates no tax transcripts and no W-2s were found (see IRS Form 4506-T). If he or she is not receiving unemployment compensation, submit a letter of termination from the employer.**

3. If the household member did not file a Federal tax return, submit a recent Form W-2, Form SSA-1099 (if Social Security is the only income received), or the most recent Social Security Statement indicating his or her earning record.
4. If any of the household members do not have any income, describe his or her particular situation in **Part 3, Item Number 10.**, and submit documentation from IRS that indicates no tax transcripts and no W-2s were found (see IRS Form 4506T).

Item Number 8. Total Additional Income or Financial Support. If you received additional income on a continuing monthly basis for the most recent full year (for example, child support) and it was **NOT** listed in your tax return, provide the amount of additional annual income. Type or print "0" if you have no additional income. You must include any consistent or regular financial support or additional income contributed to your household by any person living with you or not living with you, even if it is not part of the household for tax purposes.

Select any type of additional income you are receiving, including any amount of money that you receive annually that is not included in **Item Number 6.** or **7.**

Documentation. You must document additional financial assistance as income. Include the following information:

1. Documents showing parental support; alimony; child support; educational stipends; pensions; Social Security; royalties, pensions, veterans benefits; unemployment benefits; and consistent or regular financial support from adult children, parents, dependents, or other people living in your household.
2. A court order of any child support, or spousal support or documentation that indicates the actual amount of child support or spousal support being received.
3. Any bank statements or IRS Form W-2, Form SSA-1099 for any pension social security or veteran's benefits, if applicable.
4. If you are receiving unemployment benefits, provide IRS Form 1099-MISC, in addition to your IRS Form 1040 transcript.

-
5. Any bank statements or other documentation establishing any additional income provided by adult children, dependents, or other people living in the household, if applicable.

Item Number 9. Total Annual Household Income. Provide the total household **gross** income. Add the amounts from **Item Numbers 6., 7., and 8.** USCIS will compare this amount to the Federal Poverty Guidelines.

Item Number 10. Indicate whether any information (including marital status, income, and list of dependents) in your Federal tax returns is different from what you indicate in Form I-912. Provide the reasons for any changes in circumstances and any differences between the tax returns and information in your Form I-912. If you need to explain anything else about your circumstances that affect the income determination, use the space provided in **Part 7. Additional Information.**

NOTE: If you already have or are applying for VAWA benefits or T or U nonimmigrant status, and due to your victimization, you do not have any income or cannot provide proof of income for yourself or your household members as required in **Part 3. Item Numbers 5. - 10.** above, describe your situation in sufficient detail in **Part 3. Item Number 10.** to substantiate your inability to pay as well as your inability to obtain the required documentation. Additionally, provide any available documentation of your and/or your household's income, such as pay stubs or affidavits from religious institutions, non-profits, or other community-based organizations verifying that you are currently receiving some benefit or support from that entity and attesting to your financial situation.

Item Number 11. Specify the losses and expenses you incurred as a result of a natural disaster in as much as detail as possible. Examples may include loss of a home in a wildfire or hurricane.
