TSA infoBoards users who will be using TSA Information Technology systems are to complete this form signifying understanding and acceptance of applicable policy and legal requirements concerning the operation of computer equipment and access to network resources within the TSA. Routine Use(s): This information may be shared in connection with establishing an access account for an individual, or for routine uses identified in DHS/ALL-004 Department of Homeland Security General Information Technology Access Account Records (GITAARS) System of Records. Disclosure: Voluntary; failure to furnish the requested information may result in a loss of computer access privileges.

**PAPERWORK REDUCTION ACT:** This is a mandatory collection of information if you wish access to a TSA Information Board. The total average burden per response associated with this collection is estimated to be approximately 1 hour. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The control number assigned to this collection is OMB 1652-0065 which will expire on 02/29/2020. Send comments regarding this burden estimate or any other aspect of this collection, including suggestions for reducing this burden to: TSA PRA Officer, TSA-11, 601 South 12th Street, Arlington, VA 20598. ATTN: PRA 1652-0065 TSA infoBoards.

# InfoBoards User Account Request Instructions

#### Definitions:

- 1. Applicant (Requestor) An individual requesting an account for an infoBoard and that has a need for access, as described in Title 49: Transportation, Part 1520 Protection of Sensitive Security Information; Section 11 "Persons with a need to know".
