Introduction

[Cancel](#)

This collection of information is required to obtain federal funds for to replace, rehabilitate and purchase buses and related equipment and to construct bus-related facilities including technological changes or innovations to modify low or no emission vehicles or facilities. The information collected will be used for entry into FTA's Bus and Bus Facilities Program (Title 49 U.S.C. Section 5339). Public reporting burden is estimated to average 58 hours per response for an estimated annual total burden hours of 60,650 (including the time for reviewing instructions searching existing data sources, gathering and maintaining the data needed, and reviewing and submitting the collection of information). This information collection is scheduled to expire on November 30, 2019. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2132-0576. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Transit Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590.
