This collection of information is required to obtain federal funds that will provide transportation options to older adults and people with disabilities under Title 49 U.S.C. Section 5310, when the transportation services provided are unavailable, insufficient, or inappropriate in rural and small urban areas. The funding also provides capital, planning, and operating assistance to states to support public transportation in rural areas with populations of less than 50,000, where many residents often rely on public transit to reach their destinations under Title 49 U.S.C. Section 5311. The annual total burden is estimated at 54,727 (including the time for reviewing instructions searching existing data sources, gathering and maintaining the data needed, and reviewing and submitting the collection of information). This information collection is scheduled to expire on November 30, 2019. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2132-0500. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Transit Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590
