200 In basing the several opinions set forth in this document on “our [my] knowledge,” the  
201 words “our [my] knowledge” signify that, in the course of our [my] representation of Borrower, no  
202 facts have come to our [my] attention that would give us [me] actual knowledge or actual notice  
203 that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion,  
204 we [I] have undertaken no investigation or verification of such matters. Further, the words “our  
205 [my] knowledge” as used in this opinion are intended to be limited to the actual knowledge of the  
206 attorneys within our [my] firm who have been involved in representing Borrower in any capacity  
207 including, but not limited to, in connection with this Loan. We [I] have no reason to believe that  
208 any of the documents on which we [I] have relied contain matters which, or the assumptions  
209 contained herein, are untrue, contrary to known facts, or unreasonable.

210 In reaching the opinions set forth below, we [I] have assumed, and to our [my] knowledge  
211 there are no facts inconsistent with, the following:

212 (a) Each of the parties to the Documents, other than Borrower (and any person  
213 executing any of the Documents on behalf of Borrower), has duly and validly executed and  
214 delivered each such instrument, document, and agreement to be executed in connection with the  
215 Loan to which such party is a signatory, and such party's obligations set forth in the Documents are  
216 its legal, valid, and binding obligations, enforceable in accordance with their respective terms.

13  
14

217 (b) Each person executing any of the Documents, other than Borrower (and any  
218 person executing any of the Documents on behalf of Borrower), whether individually or on behalf  
219 of an entity, is duly authorized to do so.

220 (c) Each natural person executing any of the Documents is legally competent to do so.

221 (d) All signatures of parties other than Borrower (and any person executing any of the  
222 Documents on behalf of Borrower) are genuine.

223 (e) All Documents that were submitted to us [me] as originals are authentic; all  
224 Documents that were submitted to us [me] as certified or photostatic copies conform to the original  
225 document, and all public records reviewed are accurate and complete.

226 (f) All applicable Documents have been duly filed, indexed, and recorded among the  
227 appropriate official records and all fees, charges, and taxes due and owing as of this date have been  
228 paid.

229 (g) The parties to the Documents and their successors and/or assigns shall: (i) act in  
230 good faith and in a commercially reasonable manner in the exercise of any rights or enforcement of  
231 any remedies under the Documents; (ii) not engage in any conduct in the exercise of such rights or  
232 enforcement of such remedies that would constitute other than fair and impartial dealing; and (iii)  
233 comply with all requirements of applicable procedural and substantive law in exercising any rights  
234 or enforcing any remedies under the Documents.

235 (h) The exercise of any rights or enforcement of any remedies under the Documents  
236 would not be unconscionable, result in a breach of the peace, or otherwise be contrary to public  
237 policy.

238 (i) The Documents accurately reflect the complete understanding of the parties with  
239 respect to the transactions contemplated thereby and the rights and the obligations of the parties  
240 thereunder. We [I] also have assumed that the terms and the conditions of the Loan as stated in the  
241 Documents have not been amended, modified or supplemented, directly or indirectly, by any other  
242 agreement or understanding of the parties or waiver of any of the material provisions of the  
243 Documents. After reasonable inquiry of Borrower, we [I] have no knowledge of any facts or  
244 information that would lead us [me] to believe that the assumptions in this paragraph are not  
245 justified.

246 (j) We [I] have, with your approval, relied as to certain matters of fact set forth in the  
247 Certification of Borrower, the Domestic Status Certificate, [Foreign Status Certificate] [and certain  
248 other specified Documents,] as set forth herein. After reasonable inquiry of Borrower as to the  
249 accuracy and completeness of the Certification of Borrower, the Domestic Status Certificate,  
250 [Foreign Status Certificate] [and such other Documents], we [I] have no knowledge of any facts or  
251 information that would lead us [me] to believe that such reliance is not justified.

15

252 Based on the foregoing and subject to the assumptions and qualifications set forth in this

9. **{FOR USE ONLY IF BORROWER IS A TRUST}** Borrower is an irrevocable trust that has a term consistent with Program Obligations (as Program Obligations is defined in the Instructions to Guide for Opinion of Borrower’s Counsel) and the term of the irrevocable trust is not affected by the terms of any of the beneficiaries' interests. The laws of the Property Jurisdiction govern the interpretation and the enforcement of the Loan Documents notwithstanding that Borrower may be formed in a jurisdiction other than the Property Jurisdiction. Borrower can sue and be sued in the Property Jurisdiction without the necessity of joining any of the beneficiaries of Borrower, including without limitation, a suit on the Note or a foreclosure proceeding arising under the Security Instrument. Venue for any foreclosure proceeding under the Security Instrument may be had in [**Property Jurisdiction**].
