Pursuant to the 1996 MTW Statute and 2016 MTW Expansion Statute (Section 239 of the Fiscal Year 2016 Appropriations Act, P.L. 114-113), Appendix I of the MTW Operations Notice provides waivers of certain provisions of the 1937 Act as well as the implementing requirements and regulations. The MTW HAP Rider is being added to the Housing Assistance Payments Contract for the Section 8-Tenant Based Assistance Housing Choice Voucher Program and the Section 8 Project-Based Voucher Program to ensure that any particular provisions of the HAP Contract differ from or conflict with the MTW activities included in the PHA's approved MTW Supplement to its PHA Plan, that the provisions of the MTW Operations Notice and the approved MTW Supplement to the PHA Plan will supersede any conflicting or differing HAP Contract language.

The MTW HAP Rider will have no significant impact on information collection burden.
