Document: CDC-2019-0033-0002
Comment from (Kermit Kubitz)

Submitter Information

Name: Kermit Kubitz

General Comment

Information on state smoking programs should include information on vaping, or e-cigarettes, including use by persons under age 21, to the extent permitted by states.

CDC Official Response:

The information collected is primarily for the goal of collecting performance monitoring data from states/territories for their tobacco control and prevention cooperative agreement.
