You may use this template to prepare a budget. The budget template is a suggested tool to help states prepare a complete and accurate budget. It does not replace SF424A. Please refer to the supplemental guidance document for more information.

Awardees who received Competitive funding should enter their budget information for both the Core and Competitive Components. If you received only Core funding, disregard the Competitive Component column.

### **Notes on Data Entry:**

Conditional formatting may highlight cells red if values are missing, not valid, or violate program rules.

### **Technical Support:**

If you need technical support at any time, please send an email with a detailed description of your need to the following address:
