DATE
Enter date TA was provided using 2 digits for month, day and year, e.g., 01/01/16

ID
Enter the CDC ID of the TA Provider

TA PROVIDER
Select the organization that provided the Training or Technical Assistance (TTA)

HEALTH CENTER/YOUTH SERVING SYSTEM RECEIVING TA
Enter the CDC ID for the health center/youth serving system this TTA

MODE OF TA

Select the item in the drop down menu that most closely corresponds to the way the TA/training was provided. **"TA"** refers to technical assistance provided in response to a specific need of the recipient. **"Training"** refers to a formal or standard knowledge and/or skills building session your organization provides on a specific capacity issue (e.g., a training on logic mode). If the TA or training was provided to a **single organization,** select the appropriate **"single site"** option, according to whether service was **provided in person or by phone**. If the TA or training was provided to **more** than one recipient organization at a time, select the appropriate **"Multi-Site"** option, according to whether the service was **provided in person, by phone, or by webcast. IF MULTIPLE ORGANIZATIONS ATTENDED A TRAINING, ENTER EACH ORGANIZATION INDIVIDUALLY. "Er TA" - please ONLY include this if the email took a substantial amount of time to prepare, it contained significant TA substance, etc.**

TIME GIVING TA

Select the menu option that **most closely equals the time spent** on the specific TA activity. **Please round to the nearest quarter hour, or the nearest hour** if more than 2 hours were spent.

NUMBER OF PARTICIPANTS
Enter the number of participants TA or TRNG was provided during this session

TYPE OF TA or TRNG
Select the menu item that best represents the content of the TA/training provided.
