

**Justification for Nonmaterial/Nonsubstantive Change  
Notice of Denial of Medicare Prescription Drug Coverage  
CMS-10065/10066, OMB 0938-1019**

Due to our belief that the best use of the agency's limited translation resources is to wait until OMB approves a PRA package before expending monies to have it translated, the Spanish version of the subject denial notice was excluded from the package that was approved on December 03, 2019.

Subsequent to OMB's approval, this Nonmaterial/Nonsubstantive Change request includes the Spanish translation of the Part D standardized denial notice. Otherwise, there are no program changes or burden adjustments.
