2. Clarified instructions to applicants.	To clarify requirements and application elements associated with specific application type.	Throughout document	Throughout document
3. Updated references to regulatory requirements and guidance.	To reflect changes for 2021 cycle	Throughout Document	Throughout Document
4. Updated regulatory reference in “covered person attestation” on page 26 of the Part D application.	In response to comment noting that the time period in the attestation corresponded to the time period for contracts terminated by CMS, which was not one of the termination/nonrenewal provisions cited in the attestation. The omission of the termination/nonrenewal provisions associated with the 38 month timeline was an error and has been corrected.	Page 26	NA
