

# **Guidelines for Filing the Annual Report on Operating Subsidiaries**

## **General Information and Instructions**

### **Preparation and Use**

This report is used to identify certain national bank operating subsidiaries (OS) that are subject to Office of the Comptroller of the Currency (OCC) supervisory authority. This report identifies a bank's operating subsidiaries that do business directly with consumers in the United States and are not functionally regulated as defined in section 5(c)(5) of the Bank Holding Company Act of 1956, as amended (12 USC 1844(c)(5)). Specifically, an OS does business directly with consumers if it provides products or services to individuals to be used primarily for personal, family, or household purposes.

National banks that have OS covered by the annual reporting requirements can find additional information at 69 FR 64478 (November 5, 2004), and 12 CFR 5.34(e)(7).

All items must be answered with complete and accurate information that is subject to verification. If the answer is "none" or "not applicable," so state. The OCC encourages national banks to submit this report using the BankNet secure mailbox. BankNet access is a free service available at the BankNet site, [www.banknet.gov/entrance/default.aspx](http://www.banknet.gov/entrance/default.aspx). The OCC provides a sample report document on BankNet and its public Web site (refer to the *Comptroller's Licensing Manual*, "Investment in Subsidiaries and Equities" booklet, "Application Documents" page).

### **Report Submission**

The report may be attached as a Word, Excel, RTF, or text document. Whichever format is used, the data should be in numerical order as on the line item requirements numbered (1) through (14) below, with each data element clearly labeled. NOTE: All e-mailed reports must be sent through the BankNet-secure site.
