

Notice of Intent Voluntary Liquidation

General Information and Instructions

Preparation and Use

This notice is used to effect a transaction under 12 CFR 5.48(e)(1).

All questions must be answered with complete and accurate information that is subject to verification. If the answer is “none,” “not applicable,” or “unknown,” so state. Answers of “unknown” should be explained.

The questions in the notice are not intended to limit the applicant’s presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For such information, a cross reference to the information is acceptable. Any cross-reference must be made to a specific cite or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the applicant’s conclusions, should accompany the notice. The regulatory agency may request additional information.

This notice collects information that the Office of the Comptroller of the Currency (OCC) will need to evaluate a voluntary liquidation notice. The OCC must consider the applicable regulatory requirements, when acting on this notice. For additional information regarding the regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC’s procedural guidelines in the *Comptroller’s Licensing Manual*. The applicant may contact the OCC directly for specific instruction or visit the OCC’s Web site at www.occ.gov.

Notice of Publication

Generally, public notice under 12 CFR 5.8 does not apply to a voluntary liquidation, unless the OCC determines that the notice presents a significant or novel policy, supervisory, or legal issue where a public notice is considered necessary. A public notice also may be required where a voluntary liquidation notice is accompanied by a second notice that requires a publication notice under 12 CFR 5.8. In this instance, a public notice describing the entire transaction may be necessary to ensure the public has a full understanding of the entire transaction.

If a notice is required, the applicant must publish notice of the proposed voluntary liquidation in a newspaper of general circulation in the community or communities in which the applicant proposes to engage in business. The OCC will provide specific requirements for the notice of publication.

Submission

In addition to an original notice and the appropriate number of signed copies, submit an electronic copy of the information in the notice, especially of the business plan's financial projections, if applicable. For e-mail submissions, contact the OCC for instructions and information about secure transmission of confidential material.

Confidentiality

Any applicant desiring confidential treatment of specific portions of the notice must submit a request in writing with the notice. The request must discuss the justification for the requested treatment. The applicant's reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from public release of information (5 USC 552 or relevant state law). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the notice (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential." The applicant should follow the same procedure when requesting confidential treatment for the subsequent filing of supplemental information to the notice. Contact the OCC for any further questions regarding requests for confidential treatment.
