## CISA NIST Framework Utilization Survey

We would like to hear from each of you about your use of the National Institute of Standards and Technology (NIST) Cybersecurity Framework. The results of this survey will be used to improve our products and services. Your participation in this brief survey should take less than 2 minutes to complete.

Note: All responses are non-attributional and anonymous. Please do not enter any personally identifiable information (PII) about yourself or any other individuals in the text boxes provided.

## **Paperwork Reduction Act Burden Statement**

The public reporting burden to complete this information collection is estimated at 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and the completing and reviewing the collected information. This collection of information is voluntary. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number and expiration date. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the DHS/CISA Mail Stop 0608, 245 Murray Lane SW, Arlington, VA 20598. ATTN: PRA [OMB Control Number 1670-0027].
