

FY2020 Grant Monitoring Activities - Grantee Feedback

Please consider your recent experience with the AmeriCorps Office of Monitoring, when responding to this survey. Please answer applicable questions to the best of your ability. Please note this survey is anonymous.

1. Monitoring Process and Content (check the box)

	Disagree	Slightly Disagree	Neutral	Agree	Slightly Agree	N/A
There was enough time for my organization to respond to document requests from the Office of Monitoring.						
Document requests from the Office of Monitoring were clearly described and my organization could easily identify which documents were being requested.						
My organization was familiar with the terminology used by the Office of Monitoring to request documentation and information.						
The terminology and references used by the Office of Monitoring when conducting the monitoring activities were clearly defined and delineated.						
Requests for source documentation were clearly described by the document titles and descriptions used by the Office of Monitoring.						
If made available, my organization would participate in an introductory monitoring consultation before starting the monitoring activities assigned to our AmeriCorps project.						
My organization found the live webinar session, "AmeriCorps Office of Monitoring: Reports, Corrective Action Planning, and Grant Recipient Q&A", to be beneficial.						
My organization found the pre-recorded message from the Office of Monitoring describing the final monitoring report and corrective action planning to be beneficial.						
If made available, my organization would participate in a webinar hosted by the Office of Monitoring that focuses on how to develop a corrective action plan.						

My organization's questions and/or concerns were addressed in a timely manner by the Office of Monitoring.						
My organization prefers more frequent updates from the Office of Monitoring during the monitoring activity cycle.
