Peer Reviewer Application Instructions

Overview

Please use the following applications instructions and form if you are a peer review or panel coordinator applicant. CNCS uses this information in selecting peer reviewers and panel coordinators. We also use this information to create grant application review panels.

You must submit your application via eGrants, CNCS's integrated, secure, web-based system for applications. Applications submitted by fax or email will not be accepted. We suggest you have your resume available electronically to copy and paste into the electronic application. Once your application is submitted, we will review the information and determine if your experiences align with a specific review.

Reviewers should have experience as one or more of the following: practitioners, educators, administrator/manager, analyst, researcher, evaluator, or volunteer. Reviewers should demonstrate expertise in one or more of the following areas: volunteer management, education, literacy and tutoring, human services, nonprofit management, homeland security, public safety, environment, senior service, or national service. Reviewers and coordinators are selected based upon these criteria, their experience, content area expertise and familiarity with national service.

The application process and form contains six areas for you to complete. These are: Login Information, Personal Profile, Contact Information, Education/Job History, Expertise, and Affiliations.

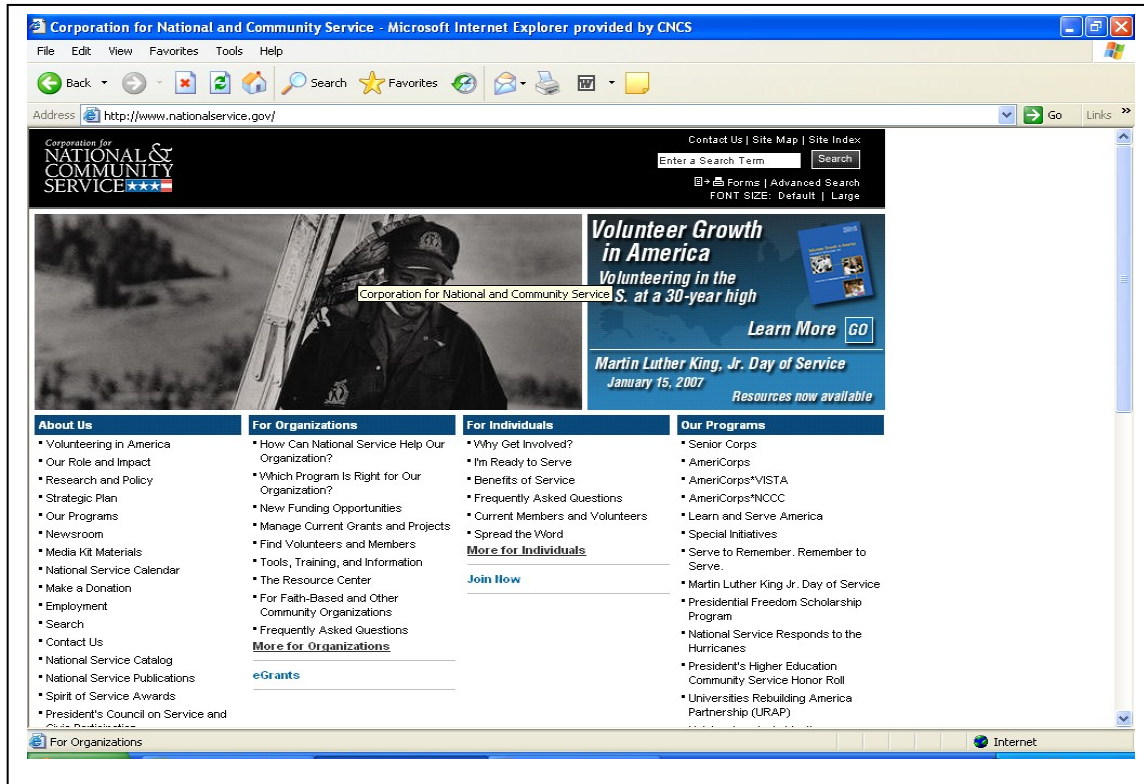

In order to submit your application, access eGrants through the website: <http://www.nationalservice.gov> and follow the eGrants link. Application instructions are available by contacting CNCS at 202-606-6886. The system will ask you to create an account with a username and password. This will allow you to revisit the application to make edits, or to update your information and resubmit when it changes.

Note: if you experience difficulty in completing the application, you may contact the National Service Hotline at 800-942-2677 or send a message by pasting the URL into your browser: https://questions.nationalservice.gov/app/ask_eg. National Service Hotline hours are Monday through Thursday: 9:00 a.m. to 7:00 p.m. ET (closed on Federal Holidays). Please identify yourself as a peer reviewer applicant and be prepared to provide your Username if you have already created one.

Below is the expertise screen that will associate an expertise with a job position. You can view the full list of expertise options by clicking on the link.

Peer Reviewer Application Instructions

Be sure to include specific job responsibilities (not just job titles). Please identify those responsibilities related to the Area of Expertise. You will have the opportunity to add up to four expertise areas to any one position. We use the expertise areas to match up potential reviewers with appropriate competitions. If you have a job position that covers a wide variety of areas, e.g. “consultant”, please identify specific long term projects that you worked on and break those out into stand-alone jobs to assign expertise.

The screenshot shows a web form titled "Become a Peer Reviewer" with a sub-section "Expertise History". At the top right of the form are "cancel" and "save & close" buttons. Below the title is a link: "Click here to view all possible Expertise". The "Job Information" section contains: "Employer: Norse", "03/05/1984 ~ 07/20/1992", and "Job Description: .". At the bottom right of the form are "cancel" and "save & close" buttons.

From the drop down menu, please select the Category of expertise associated with each job or position. These include: Education, Human Services, Environment, Management, Public Safety, CNCS Programs, Other, Specialized Areas and Facilitator/Reviewer. You will then choose the specific Expertise associated with that job or experience. And select whether the expertise was gained when you worked in a Professional position or a volunteer position. You will be able to add up to four Expertise to any job/experience. Do not forget to click “**Save & Close**” when you have finished adding jobs/experience.
