Notice to Registrants and Applicants

The Federal Communications Commission (FCC) and Somos, the Toll Free Numbering Administrator (TFNA) use information collected in FCC Form 833 in determining whether applicants are legally, technically, and financially qualified to participate in this auction for certain Toll Free numbers. This auction, including the collection of information to determine applicants' qualifications to participate pursuant to FCC rules and requirements, is designed to limit the competitive bidding to qualified applicants; to deter possible abuse of the bidding process; and to enhance the use of the competitive bidding to assign Toll Free numbers in furtherance of the public interest.

The FCC and Somos estimates that each response to this collection of information will take on average 1.5 hours. This estimate includes the time to read the instructions, gather and maintain required data, and actually complete and review the form or response. If you have any comments on this estimate, or how the FCC can improve the collection and reduce the burden it causes you, please write to the Federal Communications Commission, AMD-PERM, Washington, DC 20554, Paperwork Reduction Project (3060-xxxx). The FCC will also accept your comments regarding the Paperwork Reduction Act aspects of this collection via the Internet if you send them to PRA@fcc.gov. PLEASE DO NOT SEND COMPLETED APPLICATION FORMS TO THIS ADDRESS.

The information collected in FCC Form 833 is required to be filed by all applicants to participate in this auction. Information collected in a submitted FCC Form 833 will be available for public inspection.

You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a current valid OMB control number with this notice. This collection has been assigned OMB control number 3060-xxxx.

THE FOREGOING NOTICE IS REQUIRED BY THE PAPERWORK REDUCTION ACT OF 1995, PUBLIC LAW 104-13, OCTOBER 1, 1995, 44 U.S.C. SECTION 3507.
