Auction-Related Agreements

Has the applicant entered into any partnerships, joint ventures, consortia, or other agreements, arrangements, or understanding of any kind relating to the toll free numbers being auctioned, including any agreements that address or communicate directly or indirectly bids (including specific prices), bidding strategies (including specific toll free numbers on which to bid or not bid), or post-auction market structure, to which the applicant, or any party that controls or is controlled by the applicant is a party?

The applicant must submit an attachment that briefly describes each such agreement. Provide an identifying name for your agreement.

Certifications

By checking the box below, I certify the following:

- (1) The applicant is not participating in the auction through another entity.
- (2) The applicant is not aware that any entity on whose behalf it is bidding is participating in the auction through another applicant.
- (3) The applicant is not submitting multiple applications, and any party that controls or is controlled by the applicant is also not submitting an application.
- (4) If any individual or entity holds a non-controlling interest in the applicant and one or more other applicants, the applicant has established internal controls to preclude any person acting on behalf of any of those applicants from possessing information about the bids or bidding strategies of any of the other such applicants, or communicating such information to another person acting on behalf of and possessing such information regarding any of the other such applicants.
- (5) If the applicant (or any party that controls or is controlled by the applicant) is a party to any partnership, joint venture, consortium or agreement, arrangement, or understanding of any kind relating to the toll free numbers being auctioned, including any agreement that addresses or communicates directly or indirectly bids (including specific prices), bidding strategies (including the specific numbers on which to bid or not to bid), or the post-auction market structure, that such agreement has been disclosed in the auction application.
- (6) The applicant is aware that, if this application is shown to be defective, the application may be dismissed without further consideration, and the applicant may be disqualified from participating in the bidding. Other penalties may also apply.
- (7) The applicant is not in default on any payment owed to the Commission and that it is not currently in default or delinquent on any non-tax debt owed to any federal agency.

Willful false statements made on this form are punishable by fine and/or imprisonment (U.S. Code, Title 18, Section 1001), and/or forfeiture (U.S. Code, Title 47, Section 503).
