Report of Seizure Disorder

Section 1 Information for the Medical Examiner

An application for Railroad Retirement Act benefits based on disability for work has been filed. Information about the applicant's medical condition is essential to evaluate benefit eligibility. If you need more space than is provided to answer a question, use Item 21 for this purpose.

Since applicants are responsible for presenting medical evidence on their own behalf from their personal physicians, any fee that may result from completion of this report is a personal matter between the applicant and you (unless we specifically contract for an examination).

Please complete and return this report promptly to the address shown in Item 26. Your report may be made on this form or by a narrative on your own stationery. It is important that your narrative furnish all of the information, relevant to the applicant's condition, requested on this form.

Section 2 Instructions

Print all answers in ink or use a typewriter. When entering dates, always use numbers. Also, be sure there is one number in each box. For example, you would enter February 13, 2014, as:

MONTH	DAY	YEAR
0 2	1 3	1 4

Based on your answer to a question, you may be told to skip to another item number. Follow the instructions that tell you to "Go to" another item. These are designed to save you time and help you move through the report form quickly, filling in only necessary information. **If no "Go to" instructions are given, answer the next item in order. Do no skip any items unless directed to do so**. Please read "Important Notices" on the last page of this report.
