Office of Information and Regulatory Affairs – OMB Desk Officer

Dear Mr. Rutledge:

The Railroad Retirement Board (RRB) requests OMB to approve a No Material or Nonsubstantive Change to a currently approved collection (3220-0169, Repayment of Debt).

On December 1, 2017, the Department of Treasury discontinued accepting RRB overpayment debts being paid by credit card but will now accept payments by debit card.

We would like to modify the form title and purpose of Form G-421F, Repayment by Credit Card, to Repayment by Debit Card, and collect debit card information. We believe that changing the form title and form field names to reflect Debit Card, where appropriate, is not a material or substantive change to the information collection as the Railroad Retirement Act and Railroad Unemployment Insurance Act did not change the purpose of the collection, change the burden, and debit cards are viewed as cash.

We have modified Form G-421F to collect debit card information and uploaded the form to ROCIS. Any assistance you can provide to expedite the review and approval of this request would be appreciated as an extended delay in using the form to collect debit card information to repay debt would impact program integrity.

Please contact me at 312-751-4826 if you have any questions.

Sincerely,

Brian D. Foster
Records Officer
