

impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest because the proposed conforming grammatical or non-substantive changes would add clarity, transparency and consistency to the Exchange's disciplinary rules. The Exchange believes that market participants would benefit from the increased clarity, thereby reducing potential confusion. Similarly, the Exchange believes that the proposed changes would also make the Exchange's disciplinary rules more consistent with the rules of NYSE Arca, thereby ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with amending the disciplinary rules to make conforming grammatical or non-substantive changes based on the disciplinary rules of the Exchange's affiliate NYSE Arca.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)

of the Act and Rule 19b-4(f)(6)(iii) thereunder.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

Rule 19b-1.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Section 19(b) of the Investment Company Act of 1940 (the "Act") (15 U.S.C. 80a-19(b)) authorizes the Commission to regulate registered investment company ("fund") distributions of long-term capital gains made more frequently than once every twelve months. Accordingly, rule 19b-1 under the Act (17 CFR 270.19b-1) regulates the frequency of fund distributions of capital gains. Rule 19b-1(c) states that the rule does not apply to a unit investment trust ("UIT") if it is engaged exclusively in the business of investing in certain eligible securities (generally, fixed-income securities), provided that: (i) The capital gains distribution falls within one of five categories specified in the rule¹ and (ii) the distribution is accompanied by a report to the unitholder that clearly describes the distribution as a capital gains distribution (the "notice requirement").² Rule 19b-1(e) permits a fund to apply to the Commission for permission to distribute long-term capital gains that would otherwise be prohibited by the rule if the fund did not foresee the circumstances that created the need for the distribution. The application must set forth the pertinent facts and explain the circumstances that justify the distribution.³ An application that meets those requirements is deemed to be granted unless the Commission denies the request within 15 days after the Commission receives the application.

Commission staff estimates that three funds will file an application under rule 19b-1(e) each year.⁴ The staff understands that if a fund files an application it generally uses outside counsel to prepare the application. The cost burden of using outside counsel is discussed in Item 13 below. The staff estimates that, on average, a fund's investment adviser would spend approximately 4 hours to review an application, including 3.5 hours by an assistant general counsel at a cost of \$466 per hour and 0.5 hours by an administrative assistant at a cost of \$81 per hour, and the fund's board of directors would spend an additional 1

hour at a cost of \$4,465 per hour, for a total of 5 hours.⁵ Thus, the staff estimates that the annual hour burden of the collection of information imposed by rule 19b-1(e) would be approximately five hours per fund, at a cost of \$6,136.50.⁶ Because the staff estimates that, each year, three funds will file an application pursuant to rule 19b-1(e), the total burden for the information collection is 15 hours at a cost of \$18,409.50.⁷

Commission staff estimates that there is no hour burden associated with complying with the collection of information component of rule 19b-1(c).

As noted above, Commission staff understands that funds that file an application under rule 19b-1(e) generally use outside counsel to prepare the application.⁸ The staff estimates that, on average, outside counsel spends 10 hours preparing a rule 19b-1(e) application, including eight hours by an associate and two hours by a partner. Outside counsel billing arrangements and rates vary based on numerous factors, but the staff has estimated the average cost of outside counsel as \$400 per hour, based on information received from funds, intermediaries, and their counsel. The staff therefore estimates that the average cost of outside counsel preparation of the rule 19b-1(e) exemptive application is \$4,000.⁹ Because the staff estimates that, each year, five funds will file an application pursuant to rule 19b-1(e), the total annual cost burden imposed by the exemptive application requirements of

⁵ The estimate for assistant general counsels is from SIFMA's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and inflation and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead. The estimate for administrative assistants is from SIFMA's Office Salaries in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and inflation and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead. The staff previously estimated in 2009 that the average cost of board of director time was \$4,000 per hour for the board as a whole, based on information received from funds and their counsel. Adjusting for inflation, the staff estimates that the current average cost of board of director time is approximately \$4,465.

⁶ This estimate is based on the following calculations: \$1,631 (3.5 hours × \$466 = \$1,631) plus \$40.5 (0.5 hours × \$81 = \$40.5) plus \$4,465 equals \$6,136.50 (cost of one application).

⁷ This estimate is based on the following calculation: \$6,136.50 (cost of one application) multiplied by 3 applications = \$18,409.50 total cost.

⁸ This understanding is based on conversations with representatives from the fund industry.

⁹ This estimate is based on the following calculation: 10 hours multiplied by \$400 per hour equals \$4,000.

¹ 17 CFR 270.19b-1(c)(1).

² The notice requirement in rule 19b-1(c)(2) supplements the notice requirement of section 19(a) [15 U.S.C. 80a-19(a)], which requires any distribution in the nature of a dividend payment to be accompanied by a notice disclosing the source of the distribution.

³ Rule 19b-1(e) also requires that the application comply with rule 0-2 [17 CFR 270.02] under the Act, which sets forth the general requirements for papers and applications filed with the Commission pursuant to the Act and rules thereunder.

⁴ This estimate is based on the average number of applications filed with the Commission pursuant to rule 19b-1(e) in the prior three-year period.
