

0572-0076 RUS Specification for Quality Control and Inspection of Timber Products

**Justification for not being able to consult with 3 respondents.**

During the initial renewal process, the Program Point-of-Contact made several attempts to consult with 3 borrowers to obtain their input and feedback on the **RUS Specification for Quality Control and Inspection of Timber** however, she was only able to successfully consult with 2 out of the 3 borrowers. She was not able to get in touch with the 3rd respondent.
