UNITED STATES DEPARTMENT OF AGRICULTURE ANIMAL AND PLANT HEALTH INSPECTION SERVICE **VETERINARY SERVICES** NATIONAL ANIMAL HEALTH MONITORING SYSTEM 2150 CENTRE AVE, BLDG B **FORT COLLINS, CO 80526** 

## **HEALTH MANAGEMENT ON U.S. FEEDLOTS 2020 AFTER ACTION SURVEY - ALL PHASE 2 DATA COLLECTORS**

Thank you for your help to implement the National Animal Health Monitoring System (NAHMS) Health Management on U.S. Feedlots 2020 study. The NAHMS staff would like to receive input from you regarding your work on the study.

Please return this survey to NRRC Building B. 2150 Centre Ave.. Fort Collins CO. 80526-8117 within 10 days. We value your opi

1.	Which State did you represent during the Health Management on U.S. Feedlots 2020 Study?		
	Write in		
2.	What was your role in the Health Management on U.S. Feedlots 2020 Study?		
	a. Coordinator		
	b. Federal VMO, not a coordinator		
	c. Federal AHT		
	d. State employee		
	e. Other (specify:)		
3.	Please rate your level of satisfaction with the communication you received from NAHMS during the Health Management		
	on U.S. Feedlots 2020 Study:		
	a. Extremely satisfied		
	b. Very satisfied		
	c. Moderately satisfied		
	d. Slightly satisfied		
	e. Not at all satisfied		
4.	If you were slightly satisfied or not at all satisfied with the communication you received from NAHMS during the Health		
	Management on U.S. Feedlots 2020 Study, please explain how NAHMS could improve its communication with you:		
	Write in		
5.	Did you have adequate personnel to contact and visit the feedlots turned over to you by NASS?		
	a. Yes		
	b. No		
6.	Did the NASS employee who turned over names to you know how to fill out the NASS ADM-043 form (e.g., did he/she		
	know what signatures were required)?		
	a. Yes		
	b. No		
7.	Please describe any difficulties you experienced with the NASS ADM-043 form:		

	Did you	experience any difficulty with NASS in having names turned over to you?
	a.	Yes If yes, please explain the difficulty you experienced:
	b.	No No
9.		experience any other problems with NASS? If so, please describe them below:
	,	
	Write in	
10.	Was the	ere any other information you wish was included on the consent form?
	a.	Yes If yes, please specify what information you would like included:
	b.	No
11.	Did you	use the Tableau dashboard for the Health Management on U.S. Feedlots 2020 study?
	a.	Yes
	b.	No
12.	If yes, h	ow many times did you log on to use the dashboard?
	a.	1 to 5 times
	b.	6 to 10 times
	C.	11 to 15 times
	d.	16 or more times
13.		elease rank each page by their usefulness to you during the study?
	a.	Contact Information
	b.	Questionnaire Tracking
	c. d.	Field Staff Paperwork Tracking  Completion and Response Rates
14		other information that you would like to see on future Tableau dashboards?
	a.	Yes If yes, what additional information would you like to see?
		······································
	b.	No
15.	Would y	ou like to see a dashboard for future NAHMS studies?
	a.	Yes
	b.	No If no, why not?
16.	In how r	 many NAHMS studies, including the Health Management on U.S. Feedlots 2020 study, have you been a
	coordina	
	Write in	
17.	Would y	ou be willing to be a NAHMS coordinator for future NAHMS studies?
	a.	Yes
	b.	No

18.	Did you attend the NASS field interviewer training for your State?
	a. Yes
	b. No
19.	If previous question = Yes, please rate how valuable the training was to prepare field interviewers to administer the
	NASS questionnaire:
	a. Extremely valuable
	b. Very valuable
	c. Moderately valuable
	d. Slightly valuable
	e. Not at all valuable
20.	Were the consent forms filled out with information about the feedlot, and clear notes regarding how to get to the feedlo
	or if cattle were located in a different spot than the address?
	a. Yes
	b. No If no, please explain the deficiencies in what NASS gave you:
21.	Did you participate in the NAHMS training webinar on XX/XX/XX, which gave an overview of the U.S. feedlot industry
	and training on the VS questionnaire?
	a. Yes
	b. No
22.	Rate the value of the training materials below (1=most important; 5=least important).
	a. NAHMS Health Management on U.S. Feedlots 2020 Training Manual
	b. Overview of feedlot industry by XX
	c. First Webinar- Review of NAHMS and the Feedlot study
	d. Second Webinar- Review of NASS
	e. Third Webinar- Questionnaires Overview
	f. Fourth Webinar- Tableau Overview
23.	Did you find the monthly webinars leading up to the study useful?
	a. Yes
	b. No
24.	Were there any topics not discussed on these monthly webinars that you would have liked to have addressed?
	a. Yes If yes, what topics?
25	b. No
25.	Would you like to see monthly webinars included in future NAHMS studies?
	a. Yes
00	b. No
26.	Did you receive a NAHMS Health Management on U.S. Feedlots 2020 Training Manual?
	a. Yes
	b. No

27.	If previo	us question = Yes, how many times did you refer to the NAHMS Health Management on U.S. Feedlots 2020
	Training	Manual during the study?
	a.	0 (not at all)
	b.	1 to 5 times
	C.	6 to 10 times
	d.	11 or more times
28.	As part	of the Health Management on U.S. Feedlots 2020 Study, NAHMS tried to increase outreach leading up to the
	study. C	One part of this included providing a list of events for field staff to attend. Did you attend any of these events?
	a.	Yes
	b.	No If not, why did you not attend any events?
29.	If yes, d	id you find this helpful for promoting the study in your state?
	a.	Yes
	b.	No
30.	Would y	ou like NAHMS to include lists of events for future studies?
	a.	Yes
	b.	No
31.		posted various outreach materials on the website that could be used for conferences, meetings, or events. Did
	you eve	r refer to the outreach material on the website?
	a.	Yes
	b.	No
32.	If yes, p	lease rank how useful these materials were:
	a.	NAHMS Health Management on U.S. Feedlots 2020 Launch Sheet
	b.	Health Management on U.S. Feedlots 2020 Flyer
	C.	Health Management on U.S. Feedlots 2020 Field Flyer
	d.	Feedlot Presentations
33.		other specific outreach material you would like to see available?
	a.	Yes If yes, please specify:
	L	Nia.
2.4	b.	No
34.		producers to get them to participate in a NAHMS study can involve "selling" the study to the producer. Did you
		offortable doing this?
	a. b.	Yes No
35		find the training from NASS about getting producers to participate useful?
JJ.	ый you a.	Yes
	а. b.	No
36		use the script provided when contacting producers?
50.	ый you a.	Yes
		No .

37.	What changes would make the NAHMS Health Management on U.S. Feedlots 2020 Training Manual more useful?
	Write in
38.	What additional training would have been helpful to prepare you for the NAHMS Health Management on U.S. Feedlots
	2020 study?
	Write in
39.	What incentives could be offered to encourage producer participation?
	Write in
40.	Please rate the length of the VS questionnaire:
	a. Too short
	b. Appropriate length
	c. Too long
41.	If you had difficulty understanding or administering any of the questions in the VS questionnaire, please list the section
	letter and question number below and briefly describe why you had trouble with the question(s):
	Marks in
40	Write in
42.	Did you use the NAHMS Web site during the study to obtain study information, outreach material, forms, or to watch
	webinars or training videos?
	a. Yes
40	b. No
43.	If the previous question = Yes, approximately how many times did you access the NAHMS Web site to obtain forms or
	watch training videos during the Health Management on U.S. Feedlots 2020 study?
	a. 1 to 5 times
	b. 6 to 10 times
	c. 11 to 15 times
	d. 16 or more times
44.	For communication, we used both an internal SharePoint site and our website. Did this communication method work for
	you?
	a. Yes
45	b. No
45.	For feedlots that were turned over, but did not agree to participate, please rank the reasons below by their importance i
	causing producers to decline to participate:
	a. Poor time of year (e.g., too busy with shows, etc.)
	b. Producer gets asked to do too many surveys
	c. The producer did not answer the phone or return calls
	d. Lack of incentives for participation
	e. The producer did not think their operation fit the survey
	f. The producer did not think the survey provided any value to his feedlot
	g. The producer did not think the survey provided any value to the feedlot industry
	h. Other reason :

46.	What did not go well for you in the Health Management on U.S. Feedlots 2020 study? What could NAHMS do to improve your experience in participating in NAHMS studies in the future?
	year experience in paradiparing in the interior in the ratalier.
	Write in
47.	What went well for you in the Health Management on U.S. Feedlots 2020 study? Could NAHMS have made this any better?
	Write in
48.	If you have any other feedback on the Health Management on U.S. Feedlots 2020 study, please describe it below:
	Write in
