3. The Borrower is in compliance with the terms of the Permit.

<USER NOTES FOR PARAGRAPH B.5>

<Include the bracketed phrases “or change in majority control of the Borrower,” “or have control of the Borrower,” and “or change in control of the Borrower” if the Permit provides for termination upon a change in control of the holder. Otherwise delete these bracketed phrases.>

5. Any transfer of title to the Improvements [or change in majority control of the Borrower] shall result in termination of the Permit. Prior to any transfer of title to the Improvements [or change in majority control of the Borrower], the Forest Service shall cooperate with the Lender in obtaining an acceptable permit holder. Issuance of a new permit shall be at the sole discretion of the Forest Service. The Forest Service shall determine that the prospective holder meets requirements under Forest Service regulations, including financial and technical capability. Pursuant to federal regulations, it is Forest Service policy not to issue a new permit for a [describe authorized use, e.g., winter sports resort or resort] to any individual or entity that does not hold title to the Improvements [or have control of the Borrower]. Transfer of title to the Improvements [or change in control of the Borrower] shall be subject to the terms of the Note, security agreement, and any other documentation made or executed in conjunction with the Loan (the Loan Documents).
6. If the Borrower fails to comply with the terms of the Permit and the noncompliance could lead to suspension or revocation of the Permit, the Forest Service shall (1) notify the Lender in writing of the noncompliance; (2) inform the Lender of any action taken in response to the noncompliance; and (3) apprise the Lender of the resolution of any disputes with the Borrower or any proposed agreement to modify the terms of the Permit arising out of the noncompliance; provided, however, that prior notice is not required under clauses (1) and (2) of this paragraph where immediate action is deemed necessary under federal regulations. Notice shall be mailed "certified return receipt requested" to the following address:

[name and address of the Lender]

Nothing in this paragraph limits the Forest Service's authority to administer the Permit under federal regulations. The Lender shall not have any claim or remedy against the Forest Service if the Forest Service fails to comply with this paragraph; provided, however, that notice shall be given as specified in this paragraph. The Lender shall have no obligation to take any action as a result of this notice, and no borrower or third party shall have any claim as a result of this notice or any action or failure to act as a result of this notice.
7. The Lender shall advise the Forest Service of impending liquidation or litigation actions which may be taken against the Borrower.
8. Upon completion of liquidation or litigation actions against the Borrower under the Loan Documents that result in loss of ownership of the Improvements, the Permit shall terminate. All the provisions of paragraph B.5 apply to a transfer of title to the Improvements resulting from liquidation or litigation actions against the Borrower under the Loan Documents.
9. If the Lender forecloses on the Improvements, the Forest Service shall, to the extent permitted under applicable law, allow physical access to the Improvements by the Lender as is necessary to liquidate the Loan or to secure the Improvements. The lender shall give prior notice to the Forest Service of such access to the Improvements. The Lender shall obtain a temporary permit from the Forest Service in accordance with federal regulations in order to operate a business in or otherwise occupy the Improvements.

10. If the Permit is revoked, the Forest Service shall cooperate with the Lender in obtaining an acceptable permit holder. Issuance of a new permit shall be at the sole discretion of the Forest Service. The Forest Service shall determine that the prospective holder meets requirements under Forest Service regulations, including financial and technical capability. As part of this cooperation, the Forest Service shall not issue a new permit for a [describe authorized use, e.g., winter sports resort or resort] to any individual or entity that does not hold title to the Improvements.

11. Nothing in this Agreement precludes the Lender from exercising remedies against the Borrower associated with other security interests.

12. The Borrower acknowledges that its liability and the liability of any guarantors under the Loan Documents shall not be released if the Loan is assumed by a new permit holder.

13. The parties to this Agreement do not intend to confer any rights on any third party as a beneficiary under this Agreement. In addition, this Agreement does not confer the status or privileges of a permit holder on the Lender or any third party.

14. The Borrower and Lender acknowledge that the Permit and the Property are not encumbered by any of the Loan Documents and are not subject to foreclosure if the Borrower defaults. Any statement in the Permit or the Loan Documents that appears to create a security interest in the Permit or the Property is ineffective and contrary to law.

15. This Agreement shall terminate automatically upon repayment of the Loan. The Lender shall give the Forest Service notice of repayment of the Loan.

16. Nothing in this Agreement shall be construed to limit in any way the sole discretion of the Forest Service to determine the allocation of National Forest System lands, including decisions not to reauthorize any use which may be inconsistent with a land management plan or applicable law.

17. This Agreement is intended to foster consultation among the parties in order to coordinate more effectively the fulfillment of their respective rights and obligations.

18. The Lender may transfer all of its interest in the Loan to a single transferee (Transferee). A Transferee shall have the same rights and obligations as the Lender under this Agreement, provided that (a) the Transferee give written notice of such transfer, including the date of the transfer and the name, address, telephone number, and facsimile number of the Transferee, to the Borrower and the Forest Service; and (b) the Transferee be substituted for the Lender in this Agreement. Notice shall be mailed "certified, return receipt requested" to the following addresses for the Borrower and the Forest Service:

[name and address of Borrower and name and address of Forest Service]

19. The Borrower warrants that it has full authority to enter into this Agreement and covenants that it shall be binding on its representatives, successors, and assigns.

20. The undersigned officials of the Lender and the Forest Service warrant that they have the delegated authority to execute this Agreement.

21. This Agreement may be executed by different parties in separate counterparts. When all parties have signed this Agreement and all executed signature pages are attached to a single counterpart, it shall be deemed an original, fully executed copy of this Agreement.
