Public reporting burden for this collection of information is estimated to average 10 minutes per response including the time for reviewing the instructions, searching the existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. Send your comments regarding this burden estimate or any other aspects of this burden to Anik Clemens, NOAA Fisheries Service, 263 13 Avenue South, St. Petersburg, Florida 33701. You are advised that disclosure of the information requested in this report is mandatory for the purposes of managing the fisheries in accordance with the Magnuson Fishery Conservation and Management Act of 1976 (16 U.S.C. 1801 ET SEQ). Failure to report may result in civil and administrative penalties.
