Instructions – Greater Atlantic Regional Fisheries Office  
**Application for a Tilefish IFQ Allocation Permit**

This is your 2019 Permit Application for a Federal Tilefish IFQ Allocation permit that is required to be completed, signed, and returned to NMFS. NMFS must receive your completed application by September 15, 2018, to ensure that a Tilefish IFQ Allocation permit may be issued to you by November 1, 2018, to enable continued fishing for tilefish in excess of the incidental trip limit. You are receiving this renewal application because you currently hold Tilefish IFQ quota share.

**In addition, all applicants must submit:**

1. A Tilefish IFQ Allocation Interest Declaration Form.
2. If your IFQ allocation is owned by a corporation, partnership, or LLC, you must provide: A) A list, signed and dated, of the names and addresses of all corporate officers and shareholders of the corporation; or B) a current copy of the Partnership Agreement and a list of the names and addresses of all partners.

**Privacy Act Statement**

Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801 *et seq.*

Purpose: In order to manage U.S. fisheries, the NOAA National Marine Fisheries Service (NMFS) requires the use of permits or registrations by participants in the United States. Information on NMFS permit applicants and renewing holders includes vessel owner contact information, date of birth, and vessel descriptive information. Permit holder information may be used as sampling frames for surveys, as part of Fishery Management Council (FMC) analysis to support FMC decisions.

Routine Uses: The Department will use this information to determine permit eligibility and to identify fishery participants. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a), to be shared within NMFS offices, in order to coordinate monitoring and management of sustainability of fisheries and protected resources, as well as with the applicable State or Regional Marine Fisheries Commissions and International Organizations. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice [COMMERCE/NOAA-19](#), Permits and Registrations for the United States Federally Regulated Fisheries.

Disclosure: Furnishing this information is voluntary; however, failure to provide complete and accurate information will prevent the determination of eligibility for a permit.
