Dual Eligible SNPs with Highly Integrated Services Benefit Attestation

I attest that I have received written notification from CMS that this individual SNP plan qualifies for the new supplemental benefit flexibility for certain Dual Eligible SNPs with Highly Integrated Services for CY 2019. I further attest that the additional supplemental benefit(s) that the SNP describes in this section of the PBP do not inappropriately duplicate an existing service(s) that enrollees are eligible to receive under a waiver, the State Medicaid plan, Medicare Part A or B, or through the local jurisdiction in which they reside.

You may edit the name of the service text partially without losing all previously entered data.

If providing a supplemental benefit, enter a descriptive title. "Other" is not an acceptable title.

Does the plan pay for Part D drug home infusion services and supplies as a Medicaid benefit?

Yes
 No

If you select 'Yes' to 'Does the plan provide Part D home infusion drugs as part of a bundled service as a supplemental benefit?', you must indicate these specific medications in a flat file which must be uploaded through the Formulary Submission Module by Friday, June 7, 2019 at 11:59 am Eastern Time.

Does the plan provide Part D home infusion drugs as part of a bundled service as a supplemental benefit?

Yes
 No

If you select 'Yes' to 'Does the plan provide Part D home infusion drugs as part of a bundled service as a supplemental benefit?', you must indicate these specific medications in a flat file which must be uploaded through the Formulary Submission Module by Friday, June 5, 2020 at 11:59 am Eastern Time.

You must also ensure that your benefit includes not only the home infusion drug, but any services and supplies associated with the home infusion drug's administration.

If your organization elects to provide Part D home infusion drugs as part of a bundled service then those services must be provided at \$0 cost sharing. As described in the CY 2010 Call Letter this waiver is conditioned on the application of zero cost sharing for the bundle of home infusion services provided under a supplemental benefit.
