

effort to enhance stewardship over the estimated \$4 billion in financial assistance awarded annually. The GrantSolutions award management system will allow DOI to standardize financial assistance management procedures, and increase transparency, accountability, and oversight for financial assistance funding.

As a result of the transition, all DOI recipients of financial assistance awards (grants, cooperative agreements, and other types of Federal funding) that are subject to the requirements of 2 CFR 200 will use the GrantSolutions system to manage reporting requirements and perform other award management actions. DOI will provide web-based training for all impacted recipients. DOI will not transition compacts, annual funding agreements, contracts, or other tribal programs subject to the requirements of Public Law 93–638, the Indian Self-Determination and Education Assistance Act, as amended, at this time. These recipients will continue to use existing DOI systems provided by individual bureaus to manage these awards.

The GrantSolutions award management system will allow recipients to perform the following actions:

- View award(s) and related award information.
- View funding applications submitted by the recipient and related award notices.
- Communicate with and send documents to Federal staff.
- Manage award amendments and view their status after submission.
- Manage in-progress applications and view submitted and awarded applications.
- Apply for non-competitive and mandatory awards.
- Apply for directed award supplements.
- View and submit program progress reports.
- Create, edit, submit, and view Federal financial reports.

All bureaus, Departmental offices, and recipients will transition to using the GrantSolutions award management system according to the schedule below. Recipients will receive access to GrantSolutions on the same dates as the bureau or office responsible for managing their program funding. The GrantSolutions transition schedule is as follows:

- Group A transition date is May 18, 2020. Group A includes the following bureaus and their recipients: U.S. Fish and Wildlife Service, Bureau of Ocean Energy Management, and Bureau of

Safety and Environmental Enforcement, and their recipients.

- Group B transition date is October 13, 2020. Group B includes the National Park Service and their recipients.
- Group C transition date is December 7, 2020. Group C includes the following bureaus, Departmental offices, and their recipients: Bureau of Indian Affairs/ Bureau of Indian Education, Bureau of Land Management, Bureau of Reclamation, Departmental Offices, Office of Surface Mining Reclamation and Enforcement, and the U.S. Geological Survey, and their recipients.

DOI recipients are encouraged to visit the DOI GrantSolutions system transition web page provided or contact their designated bureau or office financial assistance award contact for more information on the transition.

SUPPLEMENTARY INFORMATION: In accordance with the PRA and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1161]

Certain Food Processing Equipment and Packaging Materials Thereof; Commission Determination Not To Review an Initial Determination Finding a Violation of Section 337; Request for Written Submissions on Remedy, the Public Interest, and Bonding

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 14) issued by the administrative law judge (“ALJ”) on February 18, 2020, granting summary determination that the defaulting respondents have violated section 337 of the Tariff Act of 1930, as amended. The Commission requests written submissions from the parties, interested government agencies, and interested persons on the issues of remedy, the

public interest, and bonding, under the schedule set forth below.

FOR FURTHER INFORMATION CONTACT:

Amanda Fisherow, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone 202–205–3427. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal, telephone 202–205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 18, 2019, based on a complaint filed by 3–A Sanitary Standards, Inc. of McLean, Virginia (“Complainant”). 84 FR 28335 (June 18, 2019). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation or sale of certain food processing equipment and packaging materials thereof by reason of false advertising and unfair competition, the threat or effect of which is to destroy or substantially injure an industry in the United States. The notice of investigation named as respondents Wenzhou QiMing Stainless Co., Ltd. of Wenzhou, China (“Wenzhou QiMing”); High MPa Valve Manufacturing Co., Ltd. of Wenzhou, China (“High MPa Valve”); Wenzhou Sinco Steel Co, Ltd. of Wenzhou, China (“Wenzhou Sinco”); Wenzhou Kasin Valve Pipe Fitting Co., Ltd. of Wenzhou, China (“Wenzhou Kasin”); and Wenzhou Fuchuang Machinery (“Wenzhou Fuchuang”) (collectively, “defaulting respondents”). *Id.* The Office of Unfair Import Investigations (“OUII”) was also named as a party to the investigation. *Id.*

On October 15, 2019, the Commission found respondents Wenzhou QiMing, High MPa Valve, Wenzhou Sinco, and Wenzhou Kasin in default. Order No. 8 (Sept. 19, 2019), *unreviewed*, Notice (Oct. 15, 2019). On December 18, 2019, the Commission found Wenzhou Fuchuang in default. Order No. 13 (Nov. 19, 2019), *unreviewed*, Notice (Dec. 18, 2019).

On November 7, 2019, 3–A SSI moved for summary determination of a violation of section 337 by the defaulting respondents. On November

20, 2019, and December 3, 2019, 3–A SSI supplemented its motion and exhibits. On December 13, 2019, OUII filed a response supporting 3–A SSI’s motion.

On February 18, 2020, the presiding ALJ issued Order No. 14, an ID granting 3–A SSI’s motion for summary determination of a violation of section 337 by the defaulting respondents. No party petitioned for review of the ID.

The Commission has determined not to review the subject ID.

In connection with the final disposition of this investigation, the statute authorizes issuance of, *inter alia*, an exclusion order that could result in the exclusion of the subject articles from entry into the United States. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, see *Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337–TA–360, USITC Pub. No. 2843, Comm’n Op. at 7–10 (Dec. 1994).

The statute requires the Commission to consider the effects of that remedy upon the public interest. The public interest factors the Commission will consider include the effect that an exclusion order would have on: (1) The public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve, disapprove, or take no action on the Commission’s determination. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that
