FEDERAL FISH AND WILDLIFE PERMIT APPLICATION FORM

Rehabilitation
(Migratory Bird Treaty Act, 50 CFR 21.31)
U.S. Fish and Wildlife Service
Division of Migratory Bird Management

NOTE: A Federal Rehabilitation permit is required to acquire, temporarily possess, or transport sick and injured migratory birds, restore them to health, and release them back to the wild. Birds undergoing rehabilitation may not be displayed to the public. Permits are available to individuals and organizations with appropriate facilities as described in the NWRA/IWRC Minimum Standards for Wildlife Rehabilitation (2000 version) and demonstrated experience in rehabilitating migratory birds. You must be at least 18 years old to apply for a migratory bird permit. Please read "[Frequently Asked Questions](#)" and the pertinent regulations before you sign and submit your application.

Please provide the information requested below. If additional information needs to be provided that does not fit in the designated spaces, add additional sheets to your application submission. You may use as many additional sheets as needed. Please number pages accordingly using the page number box provided at the bottom of the sheet, and the corresponding question number.

You should be as thorough and specific as possible in your responses. Incomplete applications will be returned.

As the permittee, you are legally responsible for ensuring that your subpermittees, staff, and volunteers adhere to the terms of your permit.

SECTION E.

Questions

1) What groups of species do you intend to rehabilitate?

Yes, Have Attached

None Required

4) Describe in detail your experience and training, including the source and the duration, in treating and rehabilitating migratory birds. (You must have at least 100 hours of hands-on experience rehabilitating the types of migratory birds you intend to rehabilitate (e.g., wading birds, raptors), or other comparable training and experience.)

a) List the species you have worked with and the approximate number of hours or years of experience in handling, capturing, and restraining

b) List the species you have worked with and the approximate number of hours or years of experience in transporting

c) List the species you have worked with and the approximate number of hours or years of experience in providing daily care and feeding; and

d) List the species you have worked with and the approximate number of hours or years of experience. Please also describe the types of medical treatments and management of injuries you have provided.

5) Provide the name, address, and telephone number of the federally authorized facility where your experience was obtained. If you are using training in lieu of up to 20 experience hours, include the course/seminar, provider/instructor, number of hours, and date completed.

6) Describe your rehabilitation facilities for restricted, limited, and unlimited care, including photographs, LxWxH dimensions, and a description of interior and exterior construction materials, such as flooring, netting, perching and watering materials.

7) Describe how and where birds will be conditioned for release. If you will use creance flying, describe in detail the techniques you will use and your experience with these techniques. List two references, including contact information, familiar with your creance experience. At least one reference must be an individual outside of your organization.

8) Location(s): Provide the physical address where rehabilitation will occur. If you are requesting authorization to rehabilitate at multiple locations, provide the following information: subpermittee name; physical address; age; phone number; description of their migratory bird rehabilitation experience; type of species they will care for; type of care they will provide; diagrams (width, length, and height dimensions) and photographs of their facilities. Off-site subpermittees caring for young songbirds/passerines may also be required to include enclosure information.

9) Describe the diet you will administer for each group of species you propose to rehabilitate, and indicate your food source.

10) Anyone who will be assisting you with the permitted activities or acting as your agent must either have their own Federal migratory bird permit for the activity or be identified by you, in writing, as a subpermittee under your permit. They may also require a State permit. Subpermittees must be at least 18 years old. As the primary permittee, you will be responsible for ensuring that your subpermittees are properly trained and adhere to the terms of your permit. Provide the name of any subpermittees who will be conducting activities under your permit. Any individual(s) regularly transporting birds directly to your facility or from your facility directly to another facility must either be listed under your permit as a subpermittee or possess their own rehabilitation permit.

11) Provide the name and telephone number of your State Wildlife Law Enforcement contact.

12) You must retain records legibly written or reproducible in English relating to the activities conducted under your permit for at least 5 years after the date of expiration of your permit. The records must include the date each bird is received, type of injury or illness, disposition, and date of disposition. Is the physical address you provided in Section C on page 1 of this application the address where your records will be kept?

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities that affect protected species. The information the individual provides helps the FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

In accordance with the Paperwork Reduction Act (44 U.S.C. 3501), the U.S. Fish and Wildlife Service collects information necessary to monitor take and disposition of migratory birds, under the applicable laws governing the requested activity, for which a permit is requested, and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0022.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages:

Original submission - paper-based: 12 hours
Amended submission - paper-based: 8 hours
Original submission - electronic: 8 hours
Amended submission - electronic: 6 hours

These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB/PERMA (JAO), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov. Please do not send your completed form to this address.

FREEDOM OF INFORMATION ACT

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.26 – 2.33].
