### Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On December 11, 2019, the Department of Justice filed a complaint and lodged a proposed Consent Decree with the United States District Court for the Western District of Michigan in the lawsuit entitled *United States of America and the State of Michigan v. NCR Corporation*, Civil Action No. 1:19-cv-01041.

The United States, on behalf of the United States Environmental Protection Agency ("EPA"), and the State of Michigan (the "State"), on behalf Michigan Department of Environment, Great Lakes, and Energy ("EGLE"), filed suit against NCR Corporation ("NCR") under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA") for the recovery of response costs and the performance of response work at the Allied Paper, Inc./Portage Creek/Kalamazoo River Superfund Site in Michigan (the "Site"). Under the terms of the Consent Decree, NCR will perform an estimated \$135.7 million in cleanup work on the Kalamazoo River and the adjacent banks

and floodplains. NCR also will pay \$76.5 million to EPA and \$6 million to the State for past and future Site response costs. Further, NCR will pay \$27 million dollars to the Kalamazoo River Natural Resources Trustee Council for natural resources damages and assessment costs. The Kalamazoo River Natural Resources Trustee Council includes both state and federal trustees. The federal trustees include the United States Department of Interior (acting through the Fish and Wildlife Service) and the Department of Commerce (acting through the National Oceanic and Atmospheric Administration). The state trustees include EGLE, the Michigan Department of Natural Resources, and the Michigan Department of the Attorney General. The Consent Decree therefore provides a total estimated value of more than \$245 million for cleanup work and payments.

### Overview of This Information Collection

1. *Type of information collection:* Renewal of a Currently Approved Collection.

2. *The title of the form/collection:* Electronic Applications for the Attorney Student Loan Repayment Program.

3. *The agency form number, if any, and the applicable component of the department sponsoring the collection:* There is no agency form number for this collection. The applicable component within the Department of Justice is the Office of Attorney Recruitment and Management, Justice Management Division, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or households. Other: None. The Department of Justice Attorney Student Loan Repayment Program (ASLRP) is an agency recruitment and retention incentive program based on 5 U.S.C. 5379, as amended, and 5 CFR part 537. Individuals currently employed as a DOJ attorney and incoming hires for attorney positions within the Department may request consideration for the ASLRP. The Department selects new participants during an annual open season each spring and renews current beneficiaries (DOJ employees) who remain qualified for these benefits, subject to availability of funds. There are two application forms—one for new requests, and the other for renewal requests. A justification form (applicable to new requests only) and a loan continuation form complete the collection. The “new request” form is submitted voluntarily, by current DOJ employees as well as by incoming DOJ attorney hires who, if selected, do not

receive benefits until they are a DOJ employee. Renewal requests are submitted by only by current DOJ employees—no non-employees would qualify.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* The Department anticipates about 275 respondents annually will complete the new request form and justification form and apply for participation in the ASLRP. Of those, an average of 10 or less are incoming attorney hires who have not yet entered on duty with the DOJ. In addition, each year the Department expects to receive approximately 110 applications from current employees (DOJ attorneys) requesting renewal of the benefits they received in the preceding year. It is estimated that each new request (including justification) will take two (2) hours to complete, and each renewal request approximately 20 minutes to complete.

6. *An estimate of the total public burden (in hours) associated with the collection:*

a. The estimated burden associated with this collection is 586 hours, 40 minutes. It is estimated that new applicants will take 2 hours to complete the request form and justification and that previously selected recipients requesting continued funding will take 20 minutes to complete a renewal form. The burden hours for collecting respondent data, 586 hours, 40 minutes, are calculated as follows: 275 new respondents  $\times$  2 hours = 550 hours, plus 110 renewing respondents  $\times$  20 minutes = 36 hours, 40 minutes.

b. An estimate of the *public* burden focusing only incoming hires and excluding current DOJ employees is 20 hours, calculated as follows: 10 new respondents (incoming hires)  $\times$  2 hours = 20 hours.

### Occupational Safety and Health Administration

[Docket No. OSHA-2018-0001]

#### State Plans: Coverage of the Aircrews in Aircraft Regulated by the Federal Aviation Administration—Changes to Level of Federal Enforcement for Alaska, Arizona, California, Hawaii, Indiana, Iowa, Kentucky, Maryland, Michigan, Minnesota, Nevada, New Mexico, North Carolina, Oregon, Puerto Rico, South Carolina, Tennessee, Utah, Vermont, Virginia, Washington, and Wyoming

**AGENCY:** Occupational Safety and Health Administration (OSHA), Department of Labor.

**ACTION:** Notice.

**SUMMARY:** This document provides notice of the declination of coverage over the working conditions of aircraft cabin crewmembers onboard aircraft in operation by all twenty-two (22) OSHA-approved State Plans which cover the private sector. On March 26, 2014, OSHA began applying three safety and health standards to the working conditions of aircraft cabin crewmembers on aircraft in operation. Section 18 of the Occupational Safety and Health Act of 1970, 29 U.S.C. 667 (OSH Act) grants the OSHA-approved State Plans the authority to regulate the working conditions of these employees to the extent consistent with the Federal Aviation Act. Subsequently, OSHA required the State Plans to either elect to amend their State Plans to cover aircraft cabin crewmembers on aircraft in operation, or to decline to exercise such authority, in which case coverage would remain a Federal OSHA responsibility. All affected State Plans declined. OSHA is hereby amending the State Plans' coverage in all of the twenty-two (22) OSHA-approved State Plans covering the private sector to reflect the declination of State Plan coverage, and the continuation of Federal OSHA enforcement authority over the working conditions of aircraft cabin crewmembers while they are onboard aircraft in operation, and notifying affected employers and employees of this action.

**DATES:** December 17, 2019.
