1. Contact information only

Dear Employer,

Next month, you will receive a request to complete the Occupational Employment Statistics Report, which is the primary source of occupational employment and wage statistics in the U.S. OES data are used to calculate employment and wage estimates annually for over 800 occupations. These estimates are available for the nation as a whole, for individual states, and for metropolitan and nonmetropolitan areas, as well as for specific industries. Data are collected by the State Workforce Agencies in cooperation with the Bureau of Labor Statistics, U.S. Department of Labor.

We would like to identify a contact person who will report information for the Occupational Employment Statistics Report next month.

For assistance, please [contact your state agency](#) or email oes.helodesk@bls.gov.

Visit our [OES Respondent page](#) for more information on reporting.

Click "Continue" to provide the name and contact information of the person who should receive the OES data request.

We estimate that the time required to complete this report will vary from 10 minutes to 2 hours, depending on factors such as the size of the establishment. This includes time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing this information. If you have any comments regarding these estimates or any other aspects of this report, including suggestions for reducing this burden, send them to the U.S. Bureau of Labor Statistics, Division of Occupational Employment Statistics (1220-0042), 2 Massachusetts Ave NE, Suite 2135, Washington, DC 20212. This report is authorized by law 29 U.S.C. §2. We request your cooperation to make the results of this report comprehensive, accurate, and timely. You do not have to complete this questionnaire if it does not display a currently valid OMB control number. Form Approved, O.M.B. No. 1220-0042.

The Bureau of Labor Statistics, its employees, agents, and partner statistical agencies, will use the information you provide for statistical purposes only and will hold the information in confidence to the full extent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act (44 USC Section 3572 and other applicable federal laws, your responses will not be disclosed in identifiable form without your informed consent except in the case of state and local governments. The BLS publishes statistical tabulations from this report that may reveal the information reported by state and local governments. Upon request, however, the BLS will hold the information provided by state and local governments on this report in confidence. Per the Federal Cybersecurity Enhancement Act of 2015, Federal information systems are protected from malicious activities through cybersecurity screening of transmitted data.

Dear Employer,

Welcome to the Occupational Employment Statistics (OES) data collection website. The OES program collects data from a sample of all nonfarm establishments in all 50 States, the District of Columbia, Puerto Rico, the US Virgin Islands, and Guam. The data are used to calculate employment and wage estimates annually for over 800 occupations. These estimates are available for the nation as a whole, for individual States, and for metropolitan and non-metropolitan areas, as well as for specific industries.

Data are collected by the State Workforce Agencies in cooperation with the Bureau of Labor Statistics, US Department of Labor. For assistance, please [contact your state agency](#) or email oes.helpdesk@bls.gov.

Before you get started

To save time and prevent the system from logging you out, we recommend you prepare your data now. Many companies find it easiest to upload a file, while others prefer to enter their data manually.

Please see our instructions, including file examples, on our [respondent page](#). We also have an [Excel template](#) available.

Thank you for your participation in the Occupational Employment Statistics program!

Reporting Instructions

- Report each employee at the establishment described in the "Report for:" line on the address label for the pay period including MM DD, YYYY. Please exclude contract workers.
- Report each employee by occupational title and duties. Please separate occupations performed by different employees, even if paid the same wage. Example: Separate administrative assistant from general office clerk, and construction laborer from carpenter. Report an employee who works in two or more occupations in the job that requires the highest skill level. If there is no measurable difference in skill, report the employee in the occupation in which they spend the most time.
- Report part-time workers at an hourly rate. Full-time workers can be reported by their annual or hourly rate.

Follow these steps to enter your Data Online

- Click the **Add Occupations** button to add three lines. Use this button to add as many lines as needed. You will need one line for each occupation you are reporting.
- Enter a job title and short description of duties in the larger box. (Maximum length: 800 characters)
- Enter the number of employees for that occupation in the appropriate wage intervals.
- Repeat as necessary.

Upload a File

Uploading a file listing the occupation and wage rate for each of your employees is the easiest way to submit your data. Many payroll and personnel systems will generate a report with all of the information we are requesting.

Alternately, you can create a spreadsheet. Do not include employee names or social security numbers.

Here is an example of the type of information we are requesting:

	A	B	C	D
	Job Title	Hourly wage	Annual wage	Department
1				
2	General manager		\$ 72,000.00	Office
