

represented on HHS Federal advisory committees and, therefore, the Department encourages nominations of qualified candidates from these groups. The Department also encourages geographic diversity in the composition of the Committee. Appointment to this Committee shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, disability, and cultural, religious, or socioeconomic status. Requests for reasonable accommodation to enable participation on the Committee should be indicated in the nomination submission.

Member Terms: Non-Federal public members of the Committee serve for a term of 3 years, and may serve for an unlimited number of terms if reappointed. Members may serve after the expiration of their terms, until their successors have taken office.

Meetings and Travel: As specified by Public Law 113–166, the MDCC “shall meet no fewer than two times per calendar year.” Travel expenses are provided for non-federal public Committee members to facilitate attendance at in-person meetings. Members are expected to make every effort to attend all full committee meetings, twice per year, either in person or via remote access. Participation in relevant subcommittee, working and planning group meetings, and workshops, is also encouraged.

Submission Instructions and Deadline: Nominations are due by 5 p.m. EDT on February 28, 2020, and should be sent to Glen Nuckolls, Ph.D., by email to nuckollg@ninds.nih.gov.

Nominations must include contact information for the nominee, a current curriculum vitae or resume of the nominee and a paragraph describing the qualifications of the person to represent some portion(s) of the muscular dystrophy research, advocacy and/or patient care communities.

More information about the MDCC is available at <https://mdcc.nih.gov/>.

SUPPLEMENTARY INFORMATION:

Comments

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- (2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- (3) Enhance the quality, utility, and clarity of the information to be collected; and

- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension, Without Change, of a Currently Approved Collection.

(2) *Title of the Form/Collection:* U.S. Immigration and Customs Enforcement (ICE) Mutual Agreement between Government and Employers (IMAGE) Self-Assessment Questionnaire

(3) *Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection:* ICE Form 73–028; U.S. Immigration and Customs Enforcement.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Business or other for-profit; Not-for-profit institutions. The U.S. Immigration and Customs Enforcement Mutual Agreement between Government and Employers (IMAGE) program is the outreach and education component of the Homeland Security Investigations (HSI) Worksite Enforcement (WSE) program. IMAGE is designed to build cooperative relationships with the private sector to enhance compliance with immigration laws and reduce the number of unauthorized aliens within the American workforce. Under this program ICE will partner with businesses representing a cross-section of industries. A business will initially complete and prepare an IMAGE application so that ICE can properly evaluate the company for inclusion in the IMAGE program. The information provided by the company plays a vital role in determining its suitability for the program. While 8 U.S.C. 1324(a) makes it illegal to knowingly employ a person who is not in the U.S. legally, there is no requirement for any entity in the private sector to participate in the program and the information obtained from the company should also be available to the public.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* ICE estimates a total of 100 responses at 90 minutes (1.5 hours) per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 150 annual burden hours.

Dated: January 21, 2020.

I. CDBG-MIT Allocations

I.A. Background

The Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Division B, Subdivision 1 of the Bipartisan Budget Act of 2018, Pub. L. 115-123, approved February 9, 2018) (the "Appropriations Act"), made available \$28 billion in Community Development Block Grant disaster recovery (CDBG-DR) funds, and directed HUD to allocate not less than \$12 billion for mitigation activities proportional to the amounts that CDBG-DR grantees received for qualifying disasters in 2015, 2016, and 2017. A **Federal Register** Notice published by the Department on August 30, 2019 (84 FR 45838), allocated \$6.875 billion of CDBG-MIT funds to 14 state and local governments and described the grant requirements and procedures, including waivers and alternative requirements applicable to CDBG-MIT funds ("the CDBG-MIT Notice").

The CDBG-MIT Notice recognizes that CDBG-MIT funds are to be used for distinctly different purposes than CDBG-DR funds and that the level of funding and nature of programs and projects that are likely to be funded requires all CDBG-MIT grantees and their subrecipients to strengthen their program management capacity, financial management, and internal controls. Under the CDBG-MIT Notice, each grantee is required to strengthen its internal audit function, specify the criteria for subrecipient selection, increase subrecipient monitoring, and establish a process for promptly identifying and addressing conflicts under the grantee's conflict of interest policy. The CDBG-MIT Notice also states the Department's intent to establish special grant conditions for individual CDBG-MIT grants based upon the risks posed by the grantee, including risks related to the grantee's capacity to carry out the specific programs and projects proposed in its action plan. These conditions are designed to provide additional assurances that mitigation programs are implemented in a manner to prevent waste, fraud, and abuse and that mitigation projects are effectively operated and maintained.

The CDBG-MIT Notice acknowledges the governance and financial management challenges of the Commonwealth of Puerto Rico. For all CDBG-MIT grantees, the CDBG-MIT

Notice references the Department's expectation that grantees will take steps to set in place substantial governmental policies and organizational structure to enhance the impact of HUD-funded investments. For the Commonwealth of Puerto Rico, this goal may be achieved through reforms in land ownership records and addressing the occurrence of informal housing, while enhancing the safety of the Commonwealth's residents. The CDBG-MIT Notice also notes that it is imperative that all CDBG-MIT grantees collect and supply sufficient revenues for future operation and maintenance costs of programs and projects funded with this CDBG-MIT grant. Additionally, prior to 2017, the Department of Housing of Puerto Rico (PRDOH), who has been designated as the entity responsible for administering the CDBG-DR allocations in response to Hurricanes Irma and Maria, had not previously administered CDBG-DR funds. Because PRDOH does not have previous experience managing CDBG-DR funds, HUD has reviewed the Commonwealth's Staffing Analysis Worksheet and determined that PRDOH must continue to secure staff and contractors to build its capacity and knowledge of federal requirements, including civil rights related program requirements. These considerations emerge as particular unmitigated risks for the Commonwealth of Puerto Rico, in light of the substantial amount of CDBG-MIT funding allocated under this notice and the general fiscal condition of the Commonwealth.

Accordingly, to further reduce the specific potential risks associated with the above challenges, this notice builds upon the requirements of the CDBG-MIT Notice and establishes additional grant conditions to reduce risk and support the successful implementation of this CDBG-MIT allocation by the Commonwealth of Puerto Rico. These measures are designed to augment and support HUD's continual technical assistance and monitoring efforts, undertaken in partnership with the grantee.

This notice allocates \$8.285 billion in CDBG-MIT funds to the Commonwealth of Puerto Rico for mitigation activities in accordance with the Appropriations Act and the CDBG-MIT Notice. The grantee receiving an allocation of funds under this notice is subject to the requirements of the CDBG-MIT Notice, including waivers and alternative requirements, and any additional requirements imposed by this or future **Federal Register** notices.
