

 U.S. Department of Transportation Federal Aviation Administration	Request For FAA-Recognized Identification Area Designation							
	OMB CONTROL NUMBER: 2120-XXXX EXPIRATION DATE: mm/dd/yyyy							
	<p>Remote Identification Act Preamble Statement</p> The remote identification of unmanned aircraft systems (UAS) is necessary to ensure public safety and the safety and efficiency of the airspace of the United States. For those operators flying legacy UAS, which cannot comply with the law, community-based organizations can apply for FAA-Recognized Identification Area, which then becomes the form of identification.							
Complete the application below for your establishment as an FAA-recognized identification area as described in 14 CFR part 89, Remote Identification of Unmanned Aircraft Systems. To request establishment, you must be a community-based organization recognized by the Administrator of the FAA.								
1. NAME OF THE COMMUNITY-BASED ORGANIZATION								
Legal Name								
2. RESPONSIBLE PERSON'S INFORMATION

Daytime Phone Number:	Prefix +	Area Code ()	Number					
Confirm that the responsible person identified above has the authority to act on behalf of community-based organization identified above.					<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Is this request for establishment an initial or renewal application?					<input type="checkbox"/>	Initial	<input type="checkbox"/>	Renewal
3. PHYSICAL ADDRESS OF PROPOSED AREA								
Physical Address (P.O. Boxes Not Allowed)				Mailing address (if different from physical address)				
Address 1				Address 1				
Address 2				Address 2				
City		State	Postal Code	City		State	Postal Code	
Country				Country				
4. GEOGRAPHIC BOUNDARIES								
Coordinates depicting the geographical boundary				Altitude				
Any of pertinent info:								
5. PRODUCER ACKNOWLEDGEMENTS								
If applicable, attach any existing letter of agreement regarding the flying site to this application.								
If applicable, feel free to provide any operational data that shows annual operations and safety track record.								
Attach any other additional information or documentation that would insightful for the Administrator of the FAA to make a determination.								

Privacy Act Statement

Privacy Act Statement (5 U.S.C. § 552a, as amended):

Authority: Information on FAA [Form XXX-X](#), Application for FAA-Recognized Identification Area is solicited under the authority of [49 U.S.C. §106\(f\)](#) and [49 U.S.C. § 40101\(d\)](#).

Purpose: The purpose of this information is to evaluate an applicant's request for establishment of an FAA-Recognized Identification Area where Unmanned Aircraft System (UAS) operators can fly legacy or non-compliant remote identification aircrafts. Community-based organizations can apply for this designation when it has members that are operating UASs that do not comply with the standard or limited remote identification requirements.

Routine Uses: In accordance with the Privacy Act system of records notice, [DOT/FAA 801, Aviation Registration Records](#), this information is routinely used to: (1) advise UAS operators of where operations of UAS without remote identification are permitted; (2) advise both manned and unmanned aircraft operators of where operations of UAS without remote identification are taking place; (3) inform security and law enforcement agencies of where operations of UAS without remote identification are taking place; and (4) DOT Prefatory Statement of General Routine Uses.

Disclosure: Submission of this data is voluntary and will become part of the Privacy Act system of records [DOT/FAA 801, Aviation Registration Records](#). Incomplete submission may result in delay or denial of your request.
