## **PRIVACY THRESHOLD ANALYSIS (PTA)**

The PTA is a compliance form developed by the Privacy Branch to identify the use of Personally Identifiable Information (PII) across the Department. The PTA is the first step in the PII verification process, which focuses on these areas of inquiry:

- Purpose for the information,
- Type of information,
- Sensitivity of the information,
- Use of the information,
- And the risk to the information.

Please use the attached form to determine whether a Privacy Impact Assessment (PIA) is required under the E-Government Act of 2002 or a System of Record Notice (SORN) is required under the Privacy Act of 1974, as amended.

Please complete this form and send it to your program Privacy Liaison Officer (PLO). If you have no program Privacy Liaison Officer, please send the PTA to the HUD Privacy Branch:

Marcus Smallwood, Acting, Chief Privacy Officer  
Privacy Branch  
U.S. Department of Housing and Urban Development

[privacy@hud.gov](mailto:privacy@hud.gov)

Upon receipt from your program PLO, the HUD Privacy Branch will review this form. If a PIA or SORN is required, the HUD Privacy Branch will send you a copy of the PIA and SORN templates to complete and return.

## SPECIFIC PTA QUESTIONS

<b>1. Reason for submitting the PTA:</b>	
<p>The Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) program, HUD entered into annual contribution contracts (ACC) with participating public housing authorities in connection with moderate rehabilitation of residential properties that completed rehabilitation contained multiple single room units. The purpose of the SRO program is to provide rental assistance to homeless individuals in rehabilitated single room occupancy housing. Public housing authorities make section 8 rental assistance payments to participating owners on behalf of homeless individuals who rent the rehabilitated units. The rental assistance payments compensate owners for the cost of some of the rehabilitation, as well as other cost of owning and maintaining the property. The vast majority of SRO HAP contracts are in the renewal cycle. The reason for submitting the PTA is to complete the request package for an OMB PRA number for the SRO renewal contract with accompanying renewal rent calculation worksheet.</p>

<sup>2</sup> Informational and collaboration-based portals in operation at HUD and its programs that collect, use, maintain, and share limited personally identifiable information (PII) about individuals who are “members” of the portal or “potential members” who seek to gain access to the portal.

<sup>3</sup> HUD defines personal information as “Personally Identifiable Information” or PII, which is any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual, regardless of whether the individual is a U.S. citizen, lawful permanent resident, visitor to the U.S., or employee or contractor to the Department. “Sensitive PII” is PII, which if lost, compromised, or disclosed without authorization, could result in substantial harm, embarrassment, inconvenience, or unfairness to an individual. For the purposes of this PTA, SPII and PII are treated the same.
