#### SUPPLEMENTARY INFORMATION:

##### Comments

The information collection notice was previously published in the **Federal Register** on September 24, 2019, at 84 FR 56829, allowing for a 60-day public comment period. USCIS did receive seven comments in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at <http://www.regulations.gov> and enter USCIS-2008-0068 in the search box. Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

##### Overview of This Information Collection

(1) *Type of Information Collection Request:* Extension, Without Change, of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Application for Permission to Reapply for Admission into the United States after Deportation or Removal.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* I-212; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or households. USCIS uses the data collected on Form I-212 to determine whether an alien is eligible for and should be granted the benefit of consent to reapply for admission into the United

States. This form standardizes requests for consent to reapply and its data collection requirements ensure that, when filing the application, the alien provides the basic information that is required to assess eligibility for consent to reapply.

USCIS must review all documents that relate to the alien's exclusion, deportation, or removal proceedings, the alien's record of immigration violations, and the alien's criminal record, if applicable. Moreover, if the alien is inadmissible under section 212(a)(9)(C)(i) of the Act, evidence must be submitted to demonstrate that the alien has remained outside the United States for a period of at least 10 years since the date of his or her last departure.

In addition to USCIS, U.S. Customs and Border Protection (CBP) and the Executive Board for Immigration Review (EOIR) of the U.S. Department of Justice (DOJ) also rely Form I-212 to grant consent to reapply for admission. These agencies use the application in the same manner as USCIS. CBP has developed an electronic filing system, called Electronic Secured Adjudication Forms Environment (e-SAFE), through which Form I-212 can be submitted when filed with CBP.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-212 is 4,883 and the estimated hour burden per response is 2 hours; the estimated total number of respondents for the biometric services associated with information collection I-212 is 100 and the estimated hour burden per response is 1.17 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 9,883 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$613,854.

**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

**A. Overview of Information Collection**

*Title of Information Collection:* Surveys of Recipients and Providers of HUD Technical Assistance and Training.

*OMB Approval Number:* 2528–0325 (Previously 2506 -0212).

*Type of Request:* Revision of a currently approved collection.

*Form Number:* N/A.

*Description of the need for the information and proposed use:* The surveys in this collection of information are necessary to systematically gather user feedback and outcomes data to evaluate and improve HUD’s deployment and management of its technical assistance (TA) resources. The data will be used to comprehensively

evaluate the Community Compass program, identify areas for improvement in the program, evaluate the effectiveness of HUD TA interventions, identify trends in TA needs, support the measurement of past performance for future TA NOFAs, and help HUD identify risk within its TA Provider pool. Survey results will also be used by TA Providers and HUD staff to improve individual TA and training engagements.

The previously approved Information Collection (OMB Control No: 2506–0212) included the *Community Development Marketplace (CDM) Project Intake Survey* and the *Survey of Community Partners Receiving HUD Staff-Led Technical Assistance*. These

surveys are no longer active and thus are not included in this information collection revision.

*Members of Affected Public:* Not-for-profit institutions; State, Local, and Tribal Government.

*Estimated Number of Respondents:* 10,780.

*Estimated Time per Response:* 0.2–0.25 hours.

*Frequency of Response:* 1.1–1.3.

*Estimated Total Annual Burden Hours:* 2,837.

*Estimated Total Annual Cost:* \$96,919.99.

*Legal Authority:* Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

Information collection	Number of respondents <sup>1</sup>	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
Provider TA Survey .....	1,140	<sup>2</sup> 1.1	1,254	0.25	313.5	<sup>3</sup> \$44.65	\$13,997.78
Recipient TA Survey ....	1,140	<sup>4</sup> 1.1	1,254	0.25	313.5	<sup>5</sup> 32.86	10,301.61
In-Person Training Survey .....	3,500	<sup>6</sup> 1.3	4,550	0.2	910	<sup>7</sup> 32.86	29,902.60
Online Training Survey	5,000	<sup>8</sup> 1.3	6,500	0.2	1,300	<sup>9</sup> 32.86	42,718.00
Totals .....	10,780.00	.....	13,558.00	.....	2,837.00	.....	96,919.99

Compared to the previously-approved information collection, the “Burden Hours Per Response” increased slightly for the In-Person and Online Training surveys due to additional questions added to those surveys. However, the total “Annual Burden Hours” and total “Annual Cost” decreased compared to the previously-approved information collection because two surveys [*Community Development Marketplace (CDM) Project Intake Survey* and the

*Survey of Community Partners Receiving HUD Staff-Led Technical Assistance*] were removed from the information collection.

**B. Solicitation of Public Comment**

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency’s estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

**C. Authority**

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.
