

## Federal Communications Commission

### Explanation of Non-Substantive Changes to OMB Control Number: 3060-1122:

- Annual Collection of Information Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions
  - Instructions to States and Other Reporting Jurisdictions
- 

**Purpose of this Submission:** The Commission is submitting a non-substantive change request to an existing information collection pursuant to 44 U.S.C. § 3507. This submission seeks to update the Annual Collection of Information Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions.

### Summary of Proposed Updates to FCC Annual Collection of Information Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions

- **Changes:** Converting the existing MS Word form to a fillable form whose format cannot be modified by the filing entity and with character limitations in the existing response fields.
- Updating the form to include the ability for States and Other Reporting Jurisdictions to provide explanatory text, at their discretion, regarding the collection and use of 911 and E911 fees.
- Converting the format of the form and adding a field to enable states and reporting jurisdictions to supplement responses is a non-substantive, time saving measure to ensure consistent reporting and data collection on use of 911 and E911 fees.

### Summary of Proposed Modifications to FCC Annual Collection of Information Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions

- **Changes:** Converting the existing MS Word form to a fillable form and enabling respondents to submit supplemental data.
- There are no changes in the burden hours and no costs are associated with this information collection.
