GENERAL INFORMATION

Background.--This proceeding was instituted in response to a petition filed on April 10, 2019, by the Coalition for Fair Trade in Ceramic Tile. Countervailing and/or antidumping duties may be assessed on the subject imports as a result of these proceedings if the Commission makes an affirmative determination of injury, threat, or material retardation, and if the U.S. Department of Commerce ("Commerce") makes an affirmative determination of subsidization and/or dumping. Questionnaires and other information pertinent to this proceeding are available at https://www.usitc.gov/investigations/701731/2019/ceramic_tile_products_china/preliminary.htm

Ceramic tile products ("ceramic tile") covered by these investigations are articles containing a mixture of minerals including clay (generally hydrous silicates of alumina or magnesium) that are treated to develop a fired bond. The subject merchandise includes ceramic flooring tile, wall tile, paving tile, hearth tile, porcelain tile, mosaic tile, finishing tile, and the like. All ceramic tile is subject to the scope regardless of whether the tile is glazed or unglazed, regardless of size, regardless of the water absorption coefficient by weight, regardless of the extent of vitrification, and regardless of whether or not the tile is on a backing. Ceramic tile are covered by the scope regardless of end use, size, thickness, and weight. Ceramic tile includes tiles pressed as very large single pieces, up to and exceeding 5' x 15'.

Subject merchandise includes ceramic tile produced in China that undergoes minor processing in a third country prior to importation into the United States. Similarly, subject merchandise includes ceramic tile produced in China that undergoes minor processing after importation into the United States. Such minor processing includes, but is not limited to, one or more of the following: beveling, cutting, trimming, staining, painting, polishing, finishing, or any other processing that would otherwise not remove the merchandise from the scope of the investigation if performed in the country of manufacture of the in-scope product.

The scope excludes ceramic bricks currently imported under HTS US 6904.10.00.10 through 6904.90.00.00.

Ceramic tile may be provided for in any HTS subheading (8-digit rate line) of heading 6907 and imported/reported under any subordinate statistical reporting number of that heading.¹ They may also be imported under statistical reporting numbers 6914.10.80.00, 6914.90.80.00, 6905.10.00.00, and 6905.90.00.50. The HTSUS provisions are for convenience and customs purposes; the written description of the scope is dispositive.

Reporting of information.--If information is not readily available from your records, provide carefully prepared estimates.

¹ Prior to 2017, ceramic tile were imported under headings 6907 and 6908.

Confidentiality.--The data furnished in response to this survey that reveal the individual operations of your firm will be treated as confidential by the Commission to the extent that such data are not otherwise available to the public and will not be disclosed except as may be required by law (see 19 U.S.C. 1677f). Such confidential information will not be published in a manner that will reveal the individual operations of your firm; however, general characterizations of numerical business proprietary information (such as discussion of trends) will be treated as confidential business information only at the request of the submitter for good cause shown.

Release of information.--The information provided by your firm in response to this survey, as well as any other business proprietary information submitted by your firm to the Commission in connection with this proceeding, may become subject to, and released under, the administrative protective order provisions of the Tariff Act of 1930 (19 U.S.C. § 1677f) and section 207.7 of the Commission's Rules of Practice and Procedure (19 CFR § 207.7). This means that certain lawyers and other authorized individuals may temporarily be given access to the information for use in connection with this proceeding or other import-injury proceedings conducted by the Commission on the same or similar merchandise; those individuals would be subject to severe penalties if the information were divulged to unauthorized individuals. Please also retain a copy of the final document that you submit.

Contact information.--Please identify the responsible individual and the manner by which Commission staff may contact that individual regarding the confidential information submitted in this survey. This may or may not be the person whose signature is at the bottom of page 1.
