

MARCH 28, 2020 — Based on continuing assessments of guidance from federal, state and local health authorities, the U.S. Census Bureau is suspending 2020 Census field operations for two additional weeks to April 15, 2020. The Census Bureau is taking this step to help protect the health and safety of the American public, Census Bureau employees, and everyone who will go through the hiring process for temporary census taker positions.

The Census Bureau continues to evaluate all 2020 Census field operations, and will communicate any further updates as soon as possible.

The 2020 Census is open for self-response online at 2020Census.gov, over the phone by calling the number provided in your invitation, and by paper through the mail.
