Watch the "[Before you file](#)" [TMN video](#) for an overview of the most important issues to be aware of when filing a trademark application with the USPTO.

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Save Form button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. An email acknowledging receipt of the submission (a filing receipt) will be sent to the correspondence email address of record.

Once you submit this application, the USPTO will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: After this application is submitted, the USPTO will send a filing receipt to the email address of either (A) the appointed attorney, if any, otherwise (B) the trademark applicant owner/holder.

Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, email TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- **Help:** For instructions on how to use the electronic forms, or help in resolving technical glitches, please email TEAS@uspto.gov. Please include your telephone number in your email, so we can talk to you directly, if necessary. Also, include the relevant serial number or registration number, if existing.
- NOTE: The TEAS Support Team focuses on problems related to the process of completing the electronic forms, not on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.
- **Bug Report:** Report any "bugs" found within the electronic forms on the USPTO's website.
- **Status Information:** For an application with an assigned serial number, check the [Trademark Status & Document Retrieval \(TSDR\)](#) system to view current status information, as well as the complete prosecution history. Do not attempt to check the status of a filing until at least 7-10 days after submission of the filing, to allow sufficient time for all USPTO databases to be updated. You can view all items listed in the prosecution history section online via the [TSDR](#) system, including all Office actions sent by the USPTO.

TIMEOUT WARNING: After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

1. Is an attorney filing this application?

Foreign-domiciled owners/holders must have a U.S.-licensed attorney represent them before the USPTO in any application- or registration-related filing. [Information about hiring a U.S.-licensed attorney](#) can be found on the USPTO website.

Yes No

2. [OPTIONAL] To upload a previously saved form file, first review the USPTO's [TEAS Help instructions for accessing previously saved data](#) and then use the "Browse..." button below to access the form file saved on your computer.

WARNING: Failure to follow the TEAS Help instructions will result in the inability to edit your data.

Important: Do NOT use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose within the proper section of the actual form

Version 7.1

Mark Information

Before the USPTO can register your mark, exactly what the mark must be clear. You may present your [mark](#) in one of the following ways: (1) [standard characters](#), if not claiming a particular font style, size, and/or color; (2) [special form](#), if the mark includes a design or word(s) combined with a design, or is displayed in a particular font style, size, and/or color; or (3) [nonvisual sound mark](#) (for this type of mark, you should include a musical score, and an audio file, as well as a detailed mark description). Do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be required in a different part of the form (if appropriate for your filing basis). **WARNING:** You may submit only **one** mark per application, if your application includes multiple marks, it may be denied a filing date or refused registration.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying or permits the applicant owner/holder to attach an audio file for a sound mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately depicts or represents your mark. You may not be permitted to [change or correct your mark](#) after filing this application. While minor changes in the mark may *sometimes* be permitted, changes that result in a [material alteration](#) of the mark as originally filed will result in the USPTO issuing a refusal on that ground.

WARNING: AFTER YOU FINISH [SEARCHING](#) THE USPTO DATABASE FOR POTENTIALLY CONFLICTING MARKS, EVEN IF YOU THINK THERE ARE NO CONFLICTING MARKS, DO NOT ASSUME THAT YOUR MARK WILL AUTOMATICALLY REGISTER. AFTER YOU FILE THE APPLICATION, THE USPTO WILL CONDUCT ITS OWN DATABASE SEARCH AND COMPLEX LEGAL REVIEW, AND MAY [REFUSE TO REGISTER](#) YOUR MARK ON THAT OR ANOTHER BASIS.

Watch the [TMIN instructional video on the importance of conducting a search](#) of existing trademarks or service marks before filing your application.

* Click the appropriate circle to indicate the Mark type: [Standard Characters](#) [Special Form \(Stylized and/or Design\)](#) [Sound mark](#)

Watch the [TMIN instructional video on drawing issues](#).

Watch the TEAS Nuts and Bolts [video explaining how to fill out the Mark Information page](#).

Enter the mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof. Do **not** include the™, ™, ®, or © symbols after the mark entry, because they are **not** part of the actual mark. If using Internet Explorer, the entry cannot exceed 2036 characters; otherwise, you must switch to another browser.)

NOTE: For how the USPTO determines what the display of the entered mark will be, click [here](#).

NOTE: For information about mark display in USPTO databases, click [here](#)

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark: for example, a disclaimer or English translation. You are not required to enter any of these statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, the examining attorney assigned to your application will issue a requirement, if appropriate.

Check here to display the full listing of additional statements from which you may make your selection.

Collective Membership Mark Form, Principal Register Version 7.1

Identification

An identification of goods/services is not appropriate in connection with a collective membership mark. The purpose of a collective membership mark is to indicate membership in an organization. Appropriate identification language would be, "to indicate membership in an organization (association, club or the like)..." followed by a phrase indicating the nature of the organization or association, e.g., "to indicate membership in an organization of computer professionals."

You may indicate the nature of the collective membership organization by specifying the area of activity of the members (e.g., they may sell lumber, or cosmetics, or food, or they may provide services as engineers or accountants). If goods/services are not directly involved, the nature of the collective membership organization can be indicated by specifying the organization's type or purpose (such as a service or social club, a political society, a trade association, a beneficial fraternal organization, or the like). Detailed descriptions of collective membership organization's objectives or activities are not necessary. It is sufficient if the identification indicates broadly either the field of activity as related to the goods/services, or the general type or purpose of the collective membership organization.

NOTE: The 4 BUTTONS below identify the choices of filing basis to be assigned to the items listed in the table, above. Because assignment of the correct basis to each item is critical, please read the explanation of the basis if you have any questions as to which basis(es) to select, before clicking the button(s), below, to begin the assignment of the basis(es). Since assignment of a filing basis is not a requirement within this form, you can by-pass this step by clicking on the Continue button, below, if necessary.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona fide intention to use the mark with all goods/all services/the collective membership organization included in an application, or the lack of use on all goods/all services/the collective membership organization for which you claim use, could jeopardize the validity of the registration and result in its cancellation.
